Closing

As a multi-racial school, we shine through the shadows with a student body consisting of a variety of ethnic groups. Barringer should be nicknamed the "United Nations." With students of many backgrounds, Barringer is unique in the diversity of its population. This allows an infusion of contrasting cultures, values and beliefs all blending together to create a multi-color fabric.

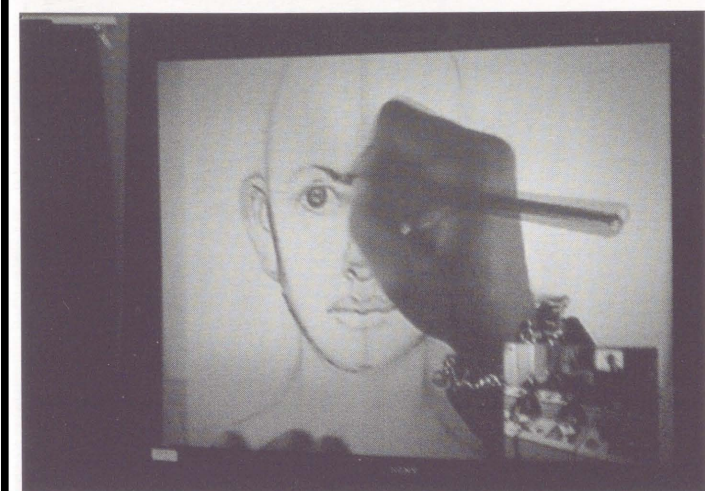

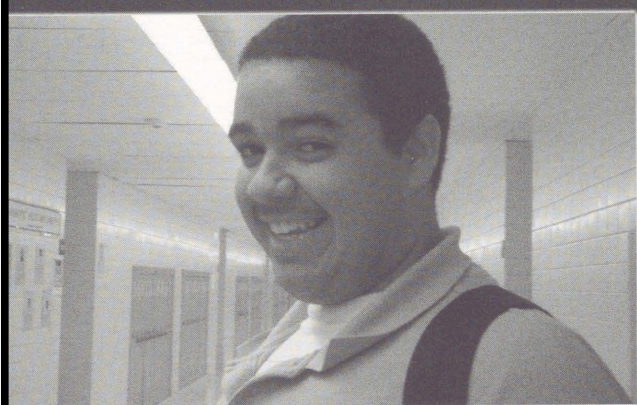

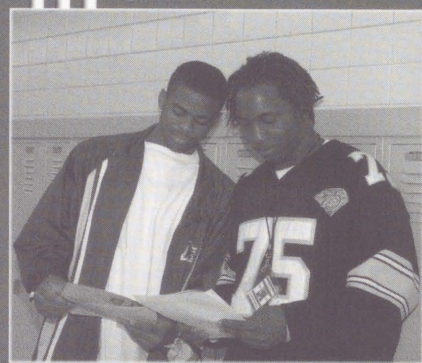

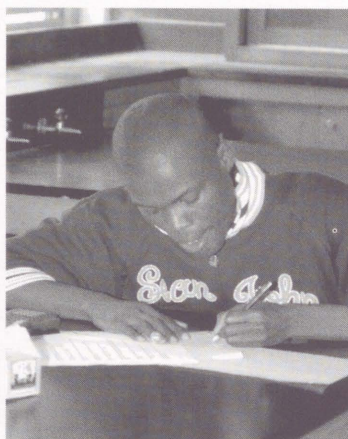

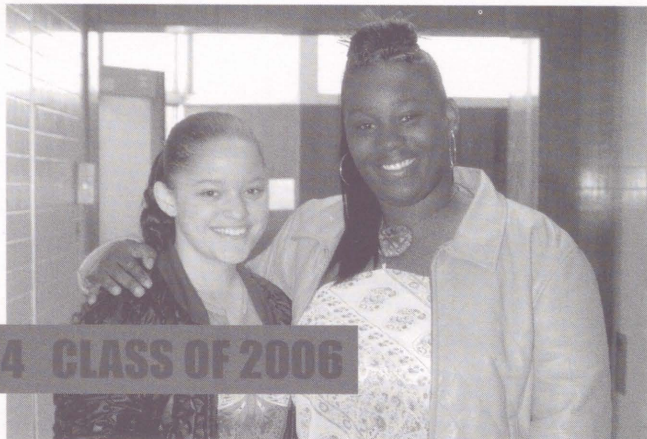

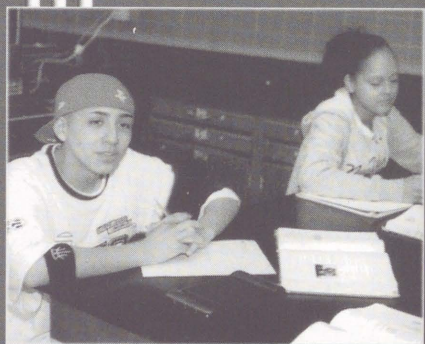

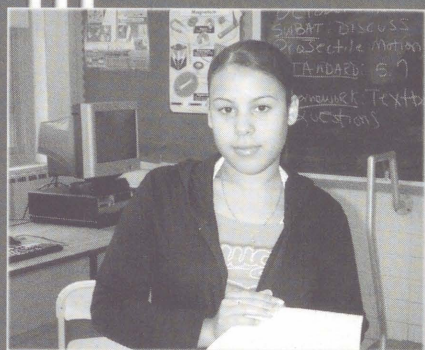

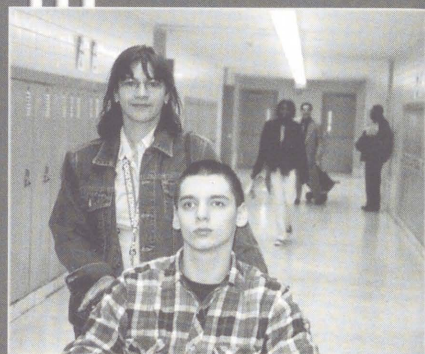

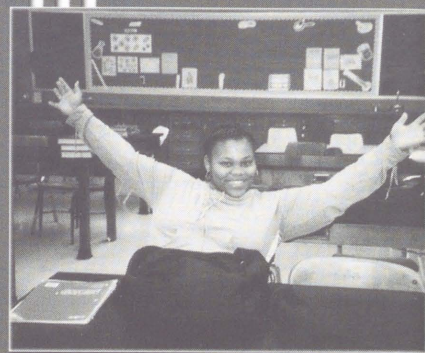

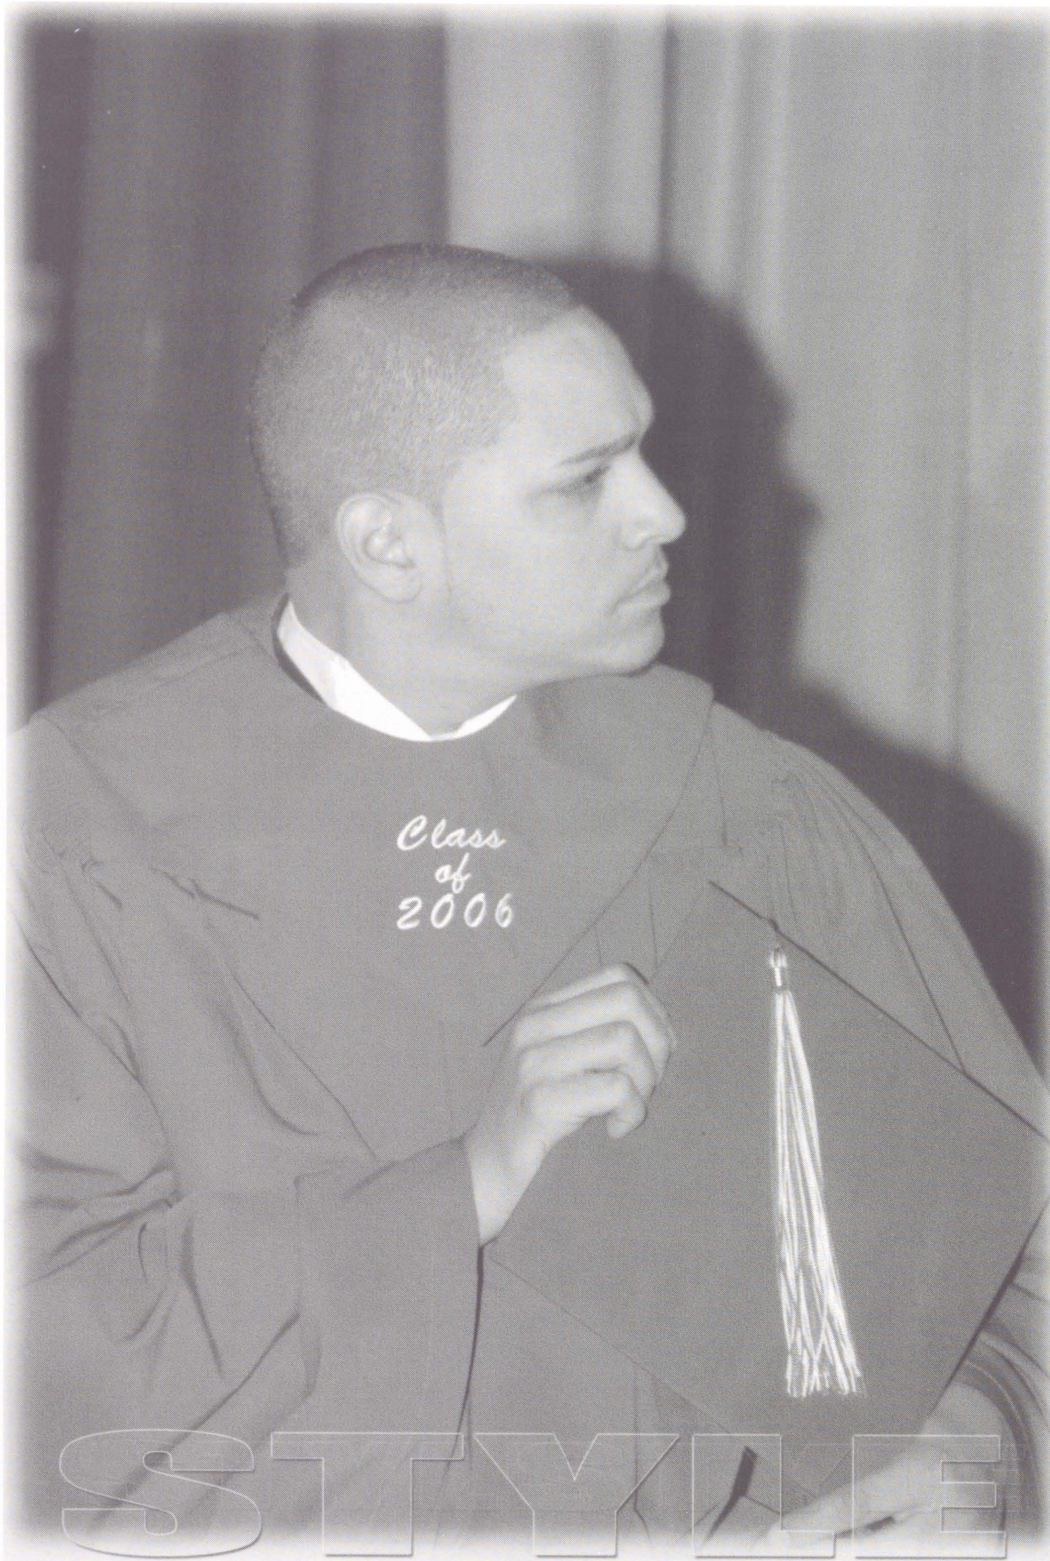

SHINING THROUGH THE SHADOWS

Barringer shines through the shadows as the third oldest public high school in the country and the first free public school in New Jersey. Since it's founding in 1838, many individuals have passed through Barringer's doors to become important statesmen and world leaders, including former Supreme Court Justice William Brennan. With an active alumni association the "Long Blue Line" Barringer's reputation, steeped in tradition, is legendary.

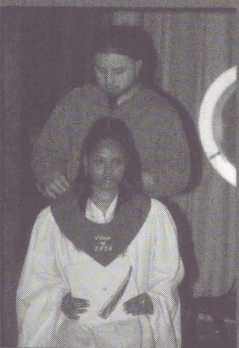

4 CLASS OF 2006

Barringer shines through the shadows with a large selection of after school activities. Students are given a quality education and the opportunity to expand their cultural and creative horizons through a variety of after school activities. From chess to publishing many different areas are explored. This gives students the opportunity to develop an interest into a lifelong hobby.

We came to Barringer as individuals and left as a unified class. Four years together have

brought us to know each other and appreciate the relationships we have forged. Our reunions will shine through the shadows to rekindle our high school years, further bonding our memories.

After leaving Barringer the graduating class will show the world how capable our students are. In the shadows of Newark, Barringer had been known to harvest the best of its students. In the past four years the class of 2006 has accomplished the capability to make our school shine through the shadows of distinction. As

INTELLIGENT

BARRINGER HIGH 5

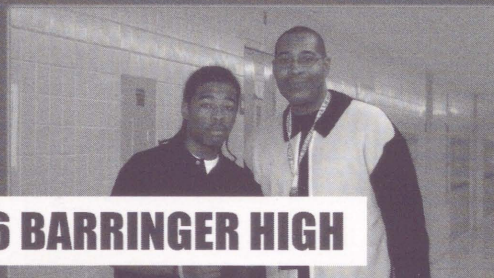

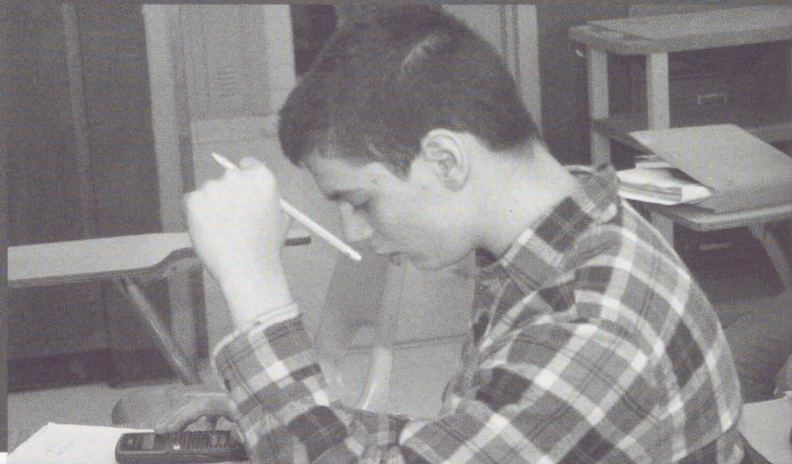

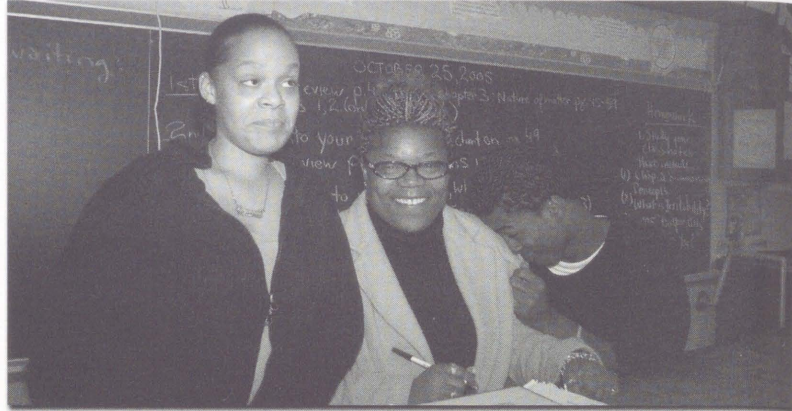

SHINING THROUGH THE SHADOWS

students of Barringer High School the senior class will have the responsibility to the school and the community to improve and enhance the lives of those who follow us.

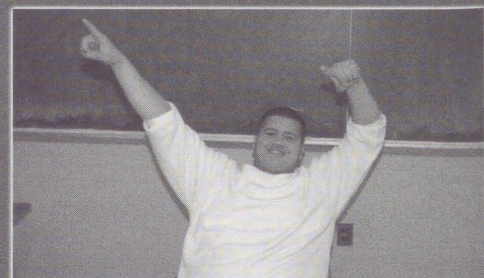

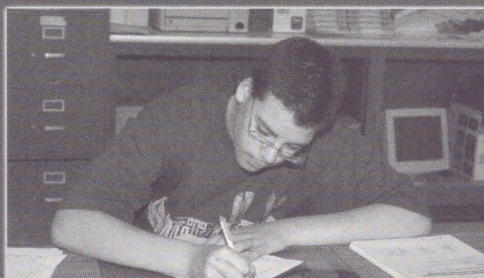

Barringer has shined through the shadows in more ways then one. First, the number of students who pass the HSPA and graduate has steadily increased. Second, The student participation has increased in school activities. Last but not least, our sports teams have been winning more games and trophies on the playing field. The sporting event records have improved because our players want to prove that Barringer is no longer in the shadow of the other inner city schools.

Our school has shined through the shadows in a series of separate events that have brought the students of Barringer together. For example, we recall the Christmas concert, the Milken Award ceremony, Homecoming and who can forget the basketball game when the teachers and staff played against the students.

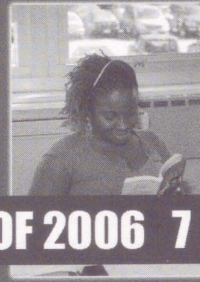

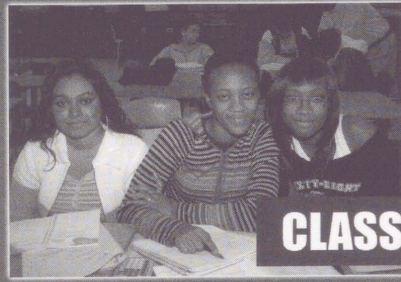

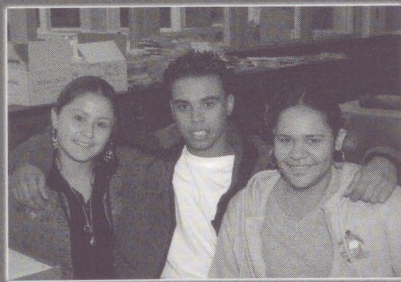

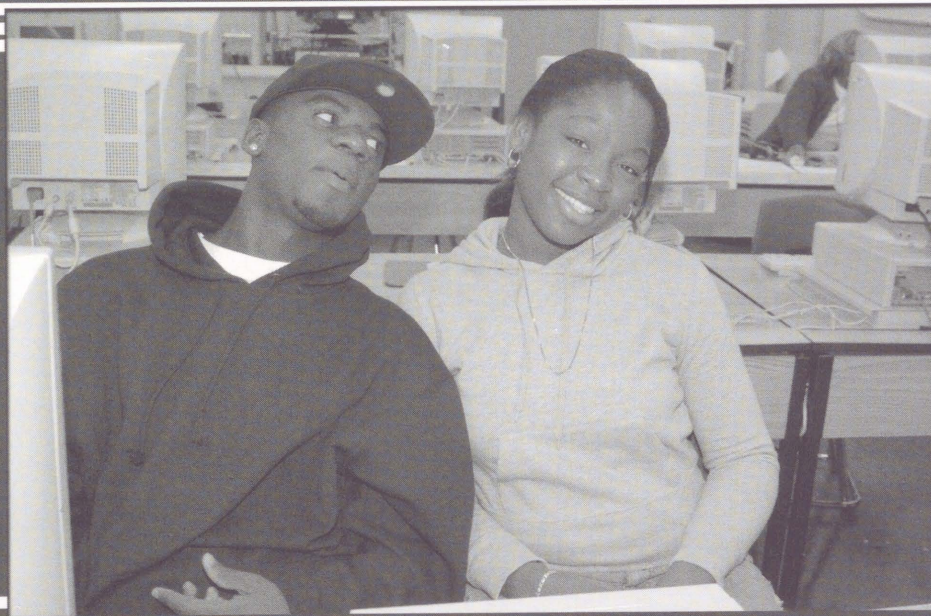

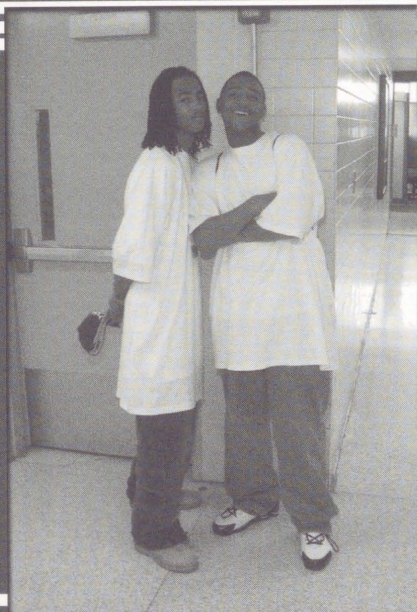

Also, significant individuals have recognized Barringer by visiting our school. Noted individuals such as Frankie Negron, a popular Latin singer, and

6 BARRINGER HIGH

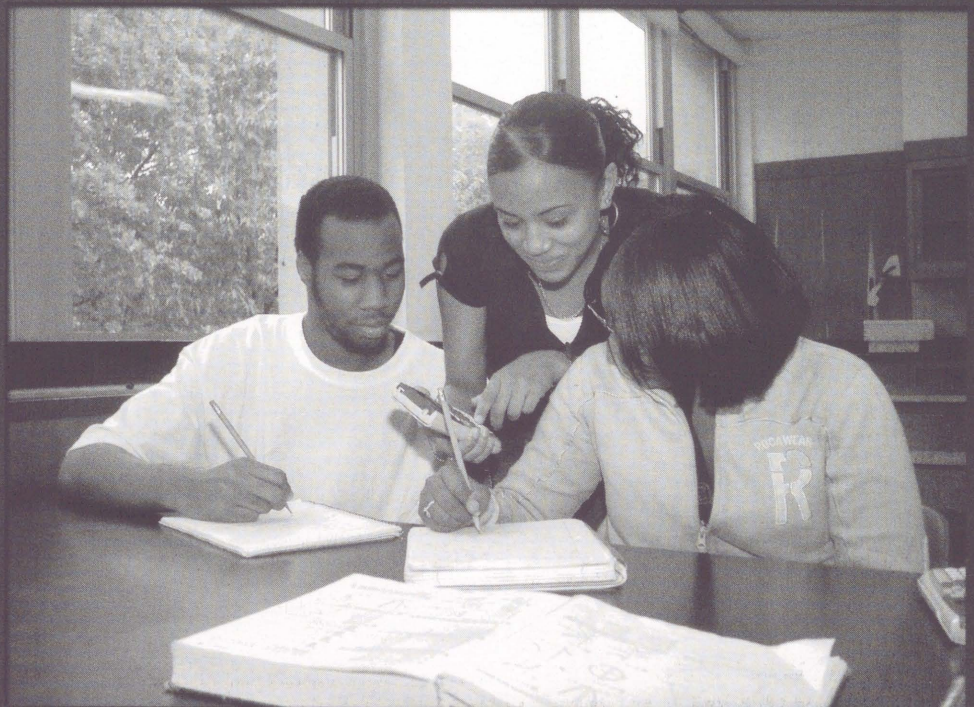

PREPARATION

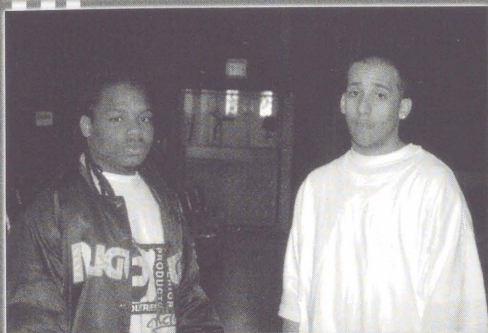

8 CLASS OF 2006

FRIENDSHIP & HONOR

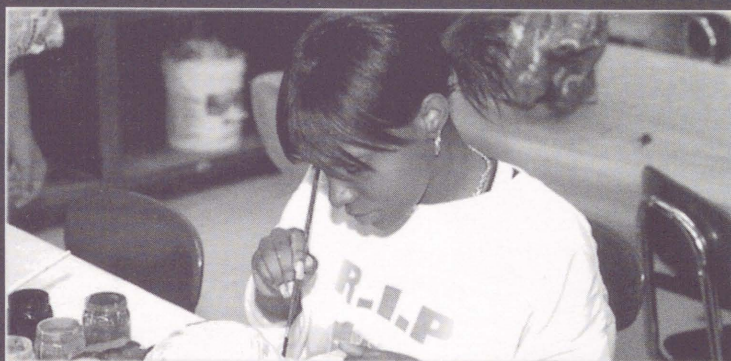

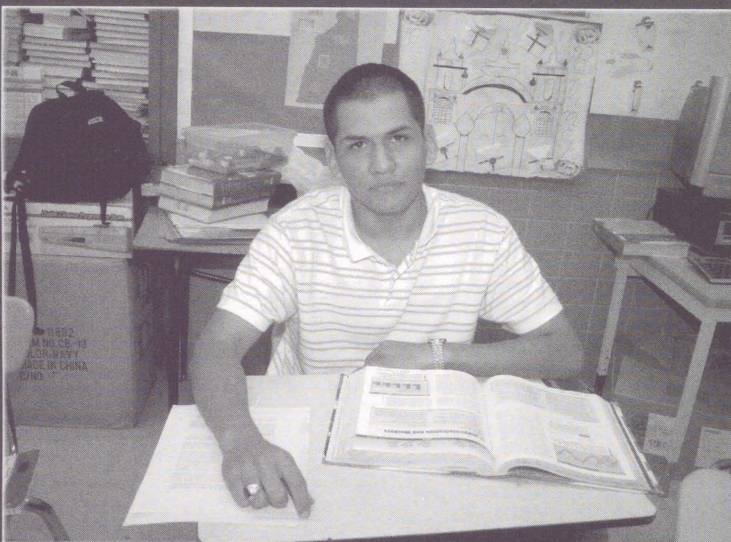

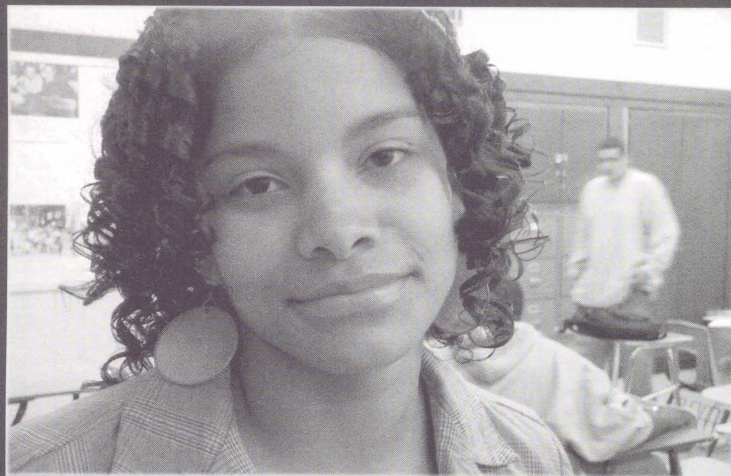

Robert Townsend an actor who was there to present our very own Ms. Earl with the \$25,000.00 Milken award. The television network MTV has also visited Barringer on two different occasions.

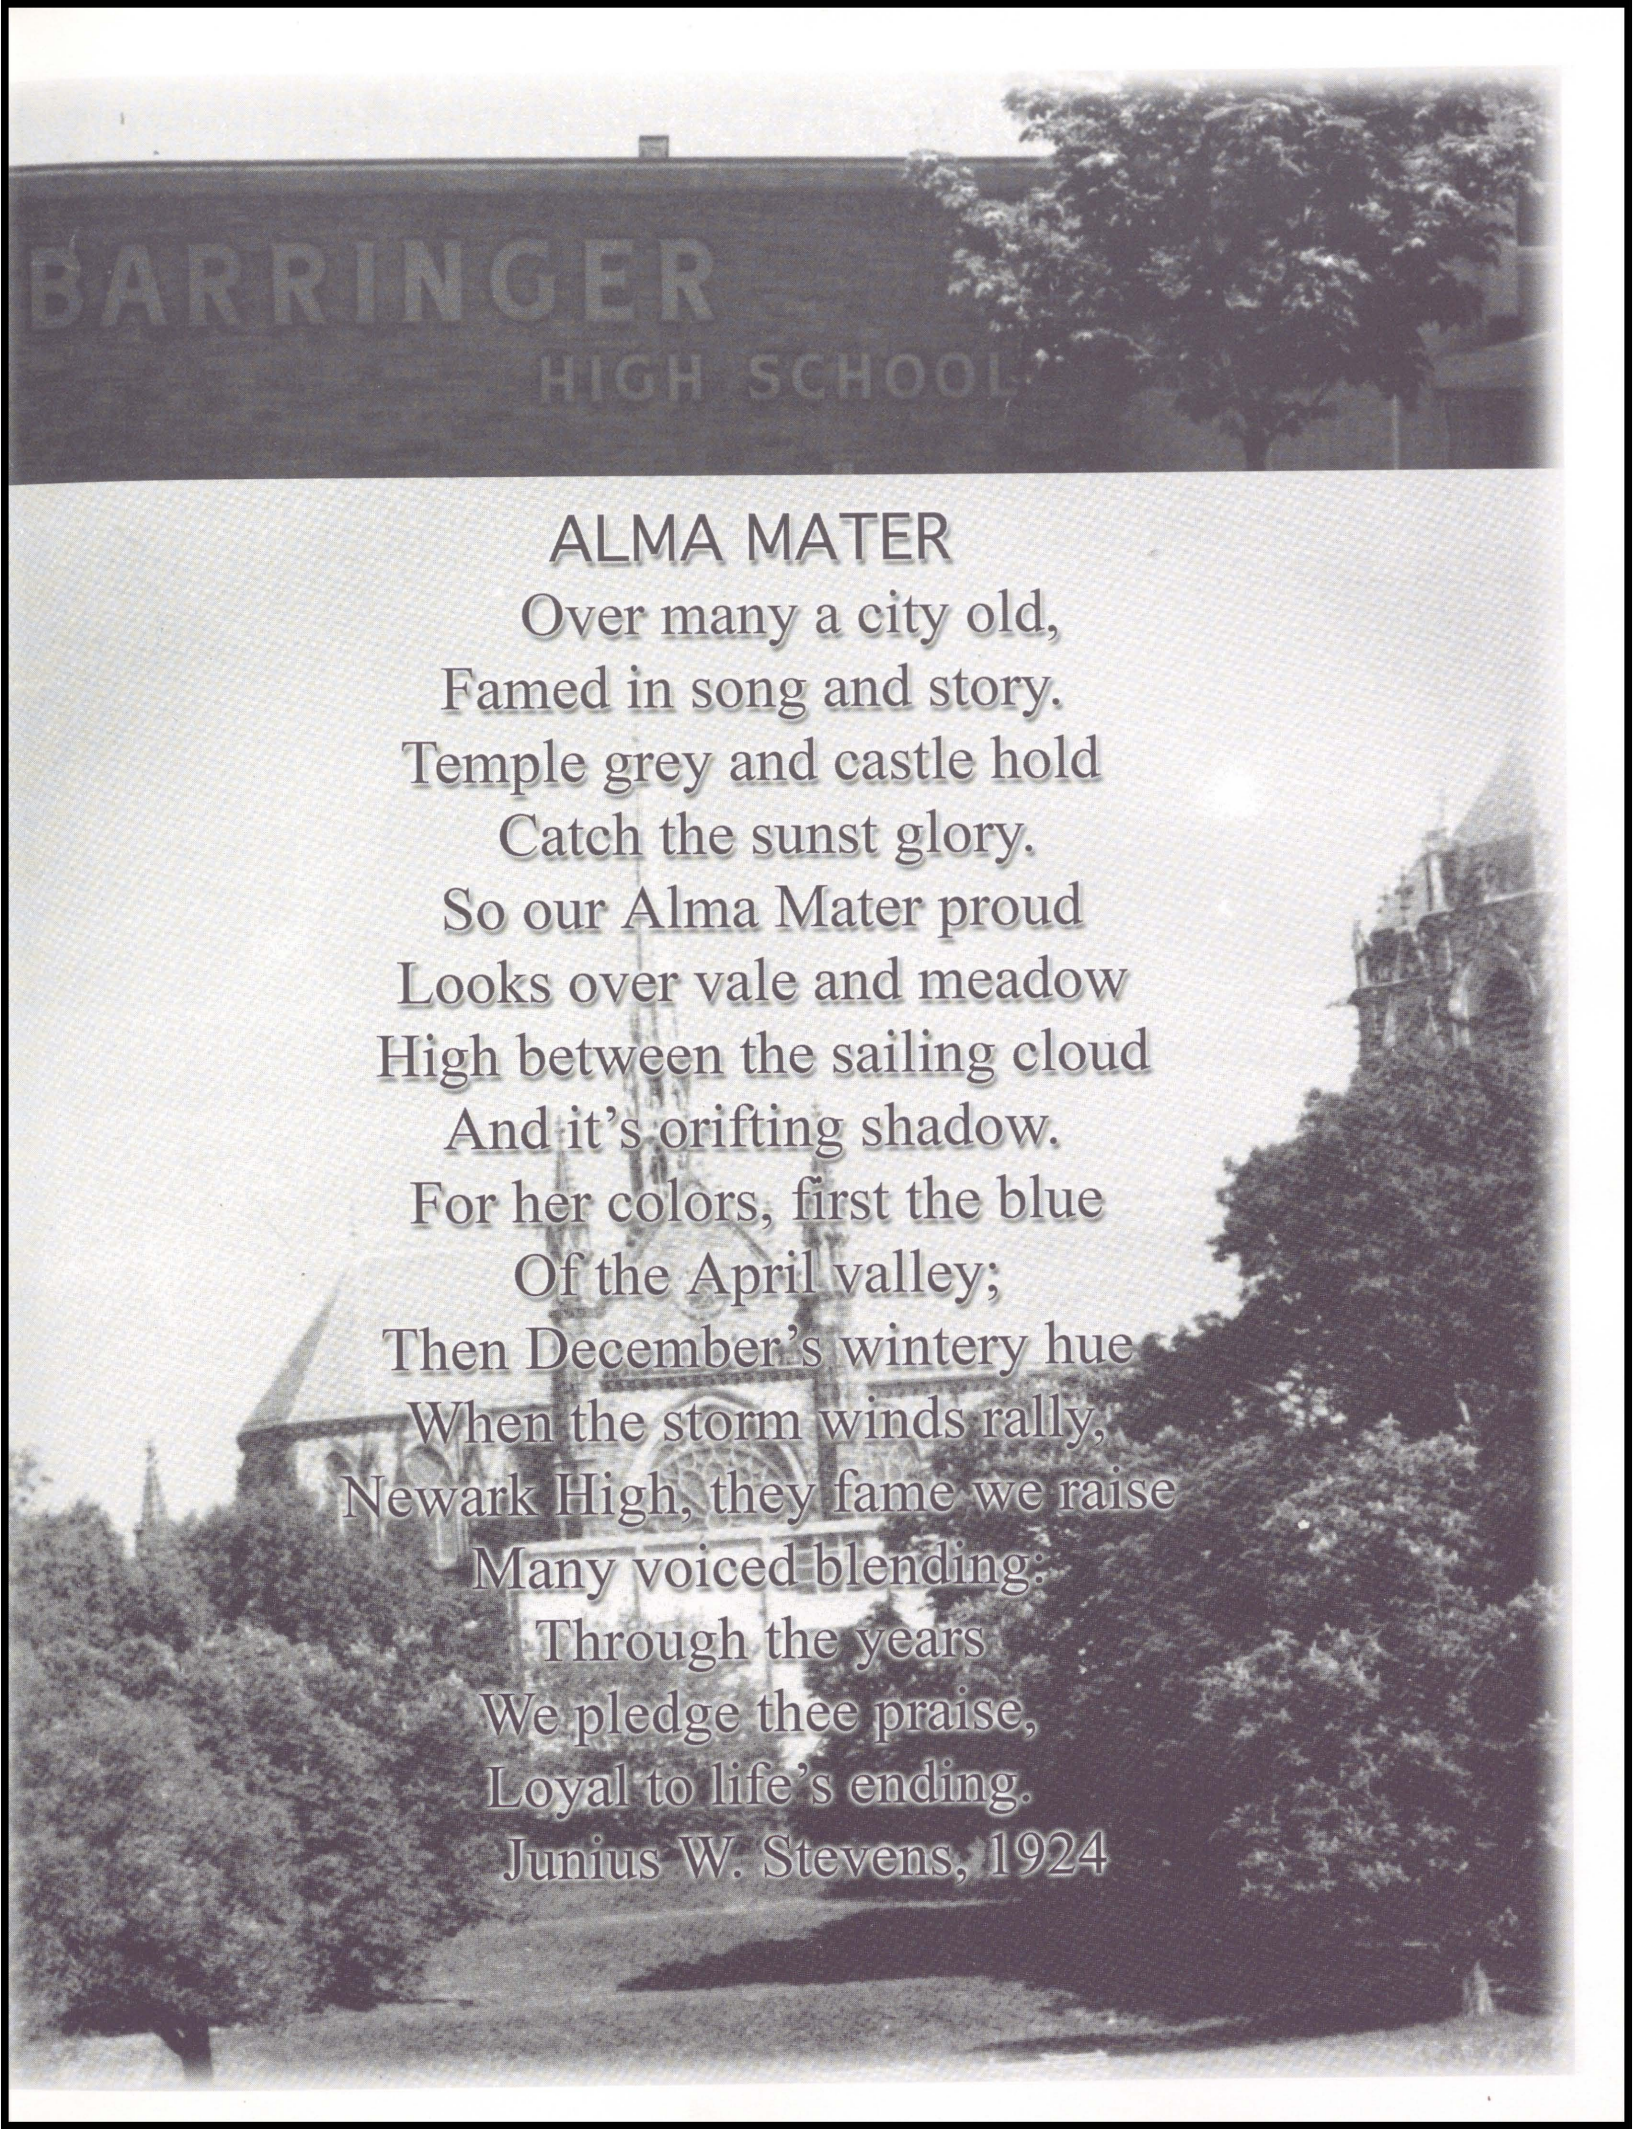

Barringer High School should not be thought of as just a building, this school is made up of students and faculty who shine through the shadows to occupy it's heart; individuals, who contributed to the improvement of our school. Students who were known in Barringer by their reputation to remain positive and focused on their future have realized that they are going to college to become productive American citizens..

Years from now when we meet at our first class reunion, the Senior Class of 2006, will reflect on the good old days when we were Barringer High School students. We will see how Barringer has helped us shine through the shadows of ignorance, the shadows of racism, the shadows of greed, and the shadows of its own past. That's when we can say we were there; we participated in the rebirth of Barringer when it was "Shining Through The Shadows"

**CONGRATULATIONS
CLASS 2006**

BARRINGER HIGH 9

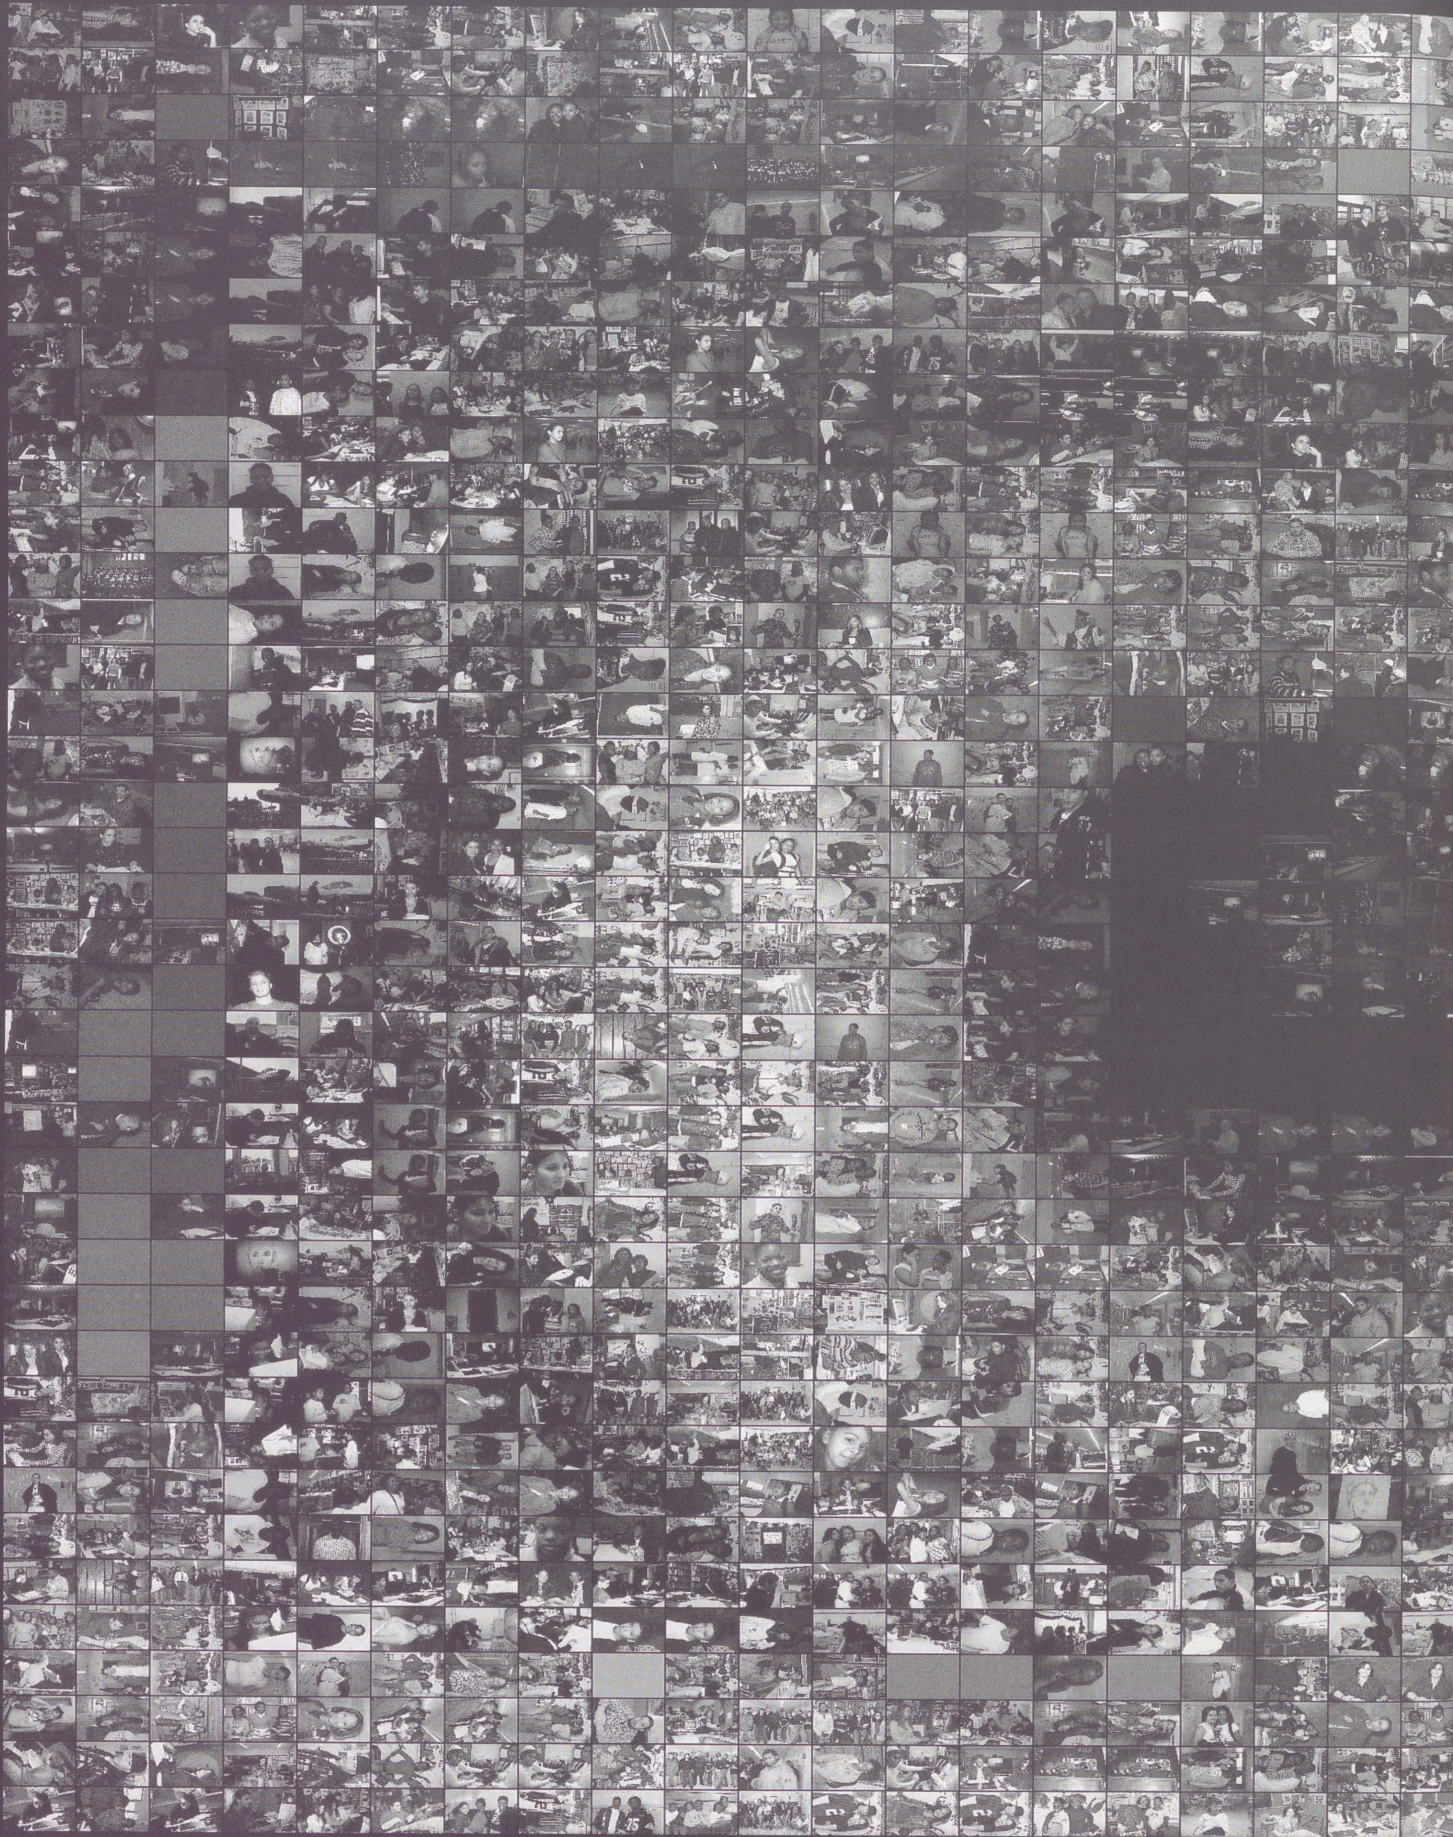

BARRINGER

HIGH SCHOOL

ALMA MATER

Over many a city old,
Famed in song and story.
Temple grey and castle hold
Catch the sunst glory.
So our Alma Mater proud
Looks over vale and meadow
High between the sailing cloud
And it's orifiting shadow.
For her colors, first the blue
Of the April valley;
Then December's wintery hue
When the storm winds rally,
Newark High, they fame we raise
Many voiced blending:
Through the years
We pledge thee praise,
Loyal to life's ending.
Junius W. Stevens, 1924

CLASS OF 2006.

FACULTY

Our Principal

Congratulations, graduating class of 2006. Thank you for playing such a vital role in the rebirth of Barringer High School. Thanks to many of you. **BLUE BEAR PRIDE IS BACK!** I have been honored serving you, the newest members of our adult community, and will continue to make Barringer High School a safe and orderly learning environment for every one. Seniors, I hold a clear vision of success for your future and have established high expectations for all of you. I am committed to assisting you in your transition to colleges, universities, vocational institutions, and the workforce. I am not only your principal but also a dedicated and concerned community member working for the betterment of our youth and the future of Newark. It is my obligation and responsibility to help you become the future leader of this society. I, along with my teachers and staff, have nurtured and guided you. As products of our guidance, we are depending on you to make the difference in what have become the Rebirth of Barringer and our community.

A famous African proverb reminds us, "It takes a village to raise a child". Seniors, although you will always exist as our offspring, it is your turn, now, as you venture into our community 'village'. To assist the youth around you who are coming up to join you shortly. Pass on the wisdom you have gained and guide others as they work toward a successful future.

Students, it is your birth given right to take your place as the torchbearers of the future and the baton holders of humanity. I would like you to continue to learn the skills and strategies that are required to make just fair decisions that

Mrs. Carmen Ruiz

will impact, change, and further benefit your life. As young adults, you have a responsibility to your future and future of Newark. Be aware of the social and political issues within you and works outwardly. Take pride in yourselves and believe that by taking a stand and believing in yourselves, you can achieve any goal or aspiration.

A special thank you is extended to your parents for all of their support. I applaud and thank them for encouraging and influencing your lives. I will continue to work with students in order to help our youth reach their fullest potential and become productive members of our community and society. A wise person once said, "Success may be measured by personal accomplishment. But true success comes only from helping others". With these words in mind, I make a promise

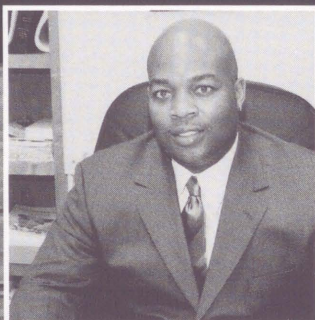

to you today to continue to support our students here at Barringer High School, at the same time, I ask that you make the same promise. Vow to continue to support others along your life journey so that you, too, may experience the joy of 'true success'.

Let's continue to work together to assure the success of our school and community rebirth. I will continue to support the creativity, hard work, and dedication of teachers and staff as they continue to help mold and shape our students. I will also continue to encourage teachers to align their lessons with the New Jersey State Core Curriculum Content Standards to continue to meet the needs of young men and women, assisting them in envisioning as well as obtaining technical assistance, resources, and tools that will enable them to give quality instruction.

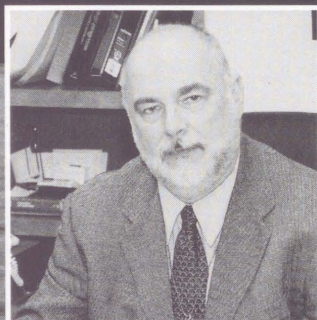

I encourage you to continue your quest for 'true success' by volunteering your time to mentor, teach, and positively guide the underclassmates so that you may serve as role models of experience.

As community members, parents, teachers, and staff, we are the 'village'. It is our responsibility to 'raise' our standards by providing nourishing foods of thought; remembering always that the diet for survival lies within quality education.

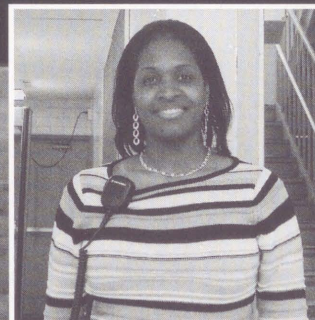

In closing, let me remind you that Barringer is a sleeping giant. I woke up that giant and highlighted his greatness! Let's continue to tall and proud as mighty blue bears. Dare yourselves to "dream and became what you see!"

Retiring Staff

Feelings are described by how they touch us, and often, people are described by their feelings towards others. We now realize that students are shaped by great teachers and a caring staff. Mr. Alexander, Ms. Hudson, Ms. Sivoletta, Ms. Millan, Mr. Matrisciano, Mr. Zagorski and last but certainly not least, our senior clerk, Ms. Inga have given many years of service to the students of

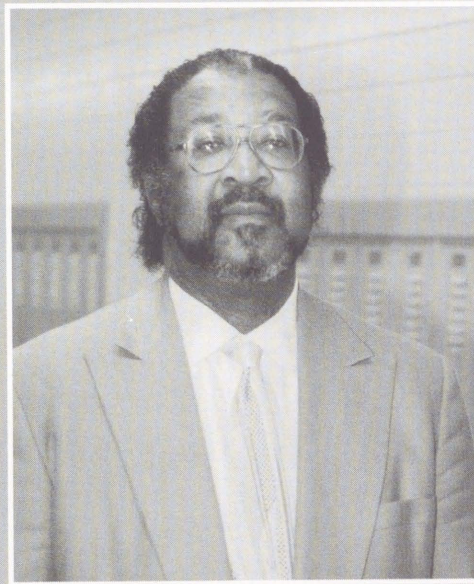

Barringer High School. When we needed advice they supplied the ears and opinions. When we were desperate, they held our hand. They laughed with us, and sometimes shed a tear with us. But the one lesson we will never forget was that they showed us how to be productive members of society. We will forever be in their debt for this.

Now it is time for us to say our final goodbyes as they retire. Thank you very much for your support over the years. May you all have a long, happy and healthy retirement.

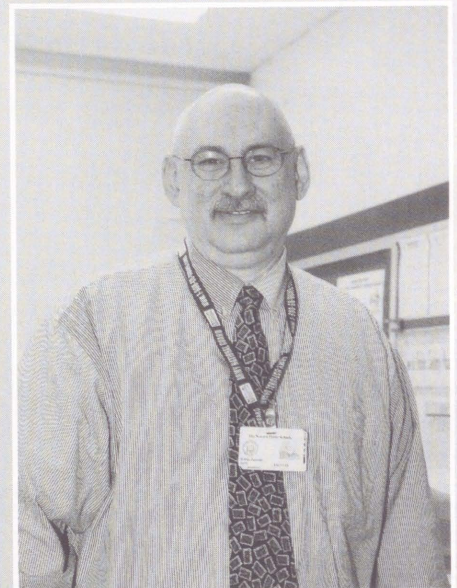

Thank You!

Happy Days Are Here

CLASS OF 2006

Prom 2006

A Night To Remember

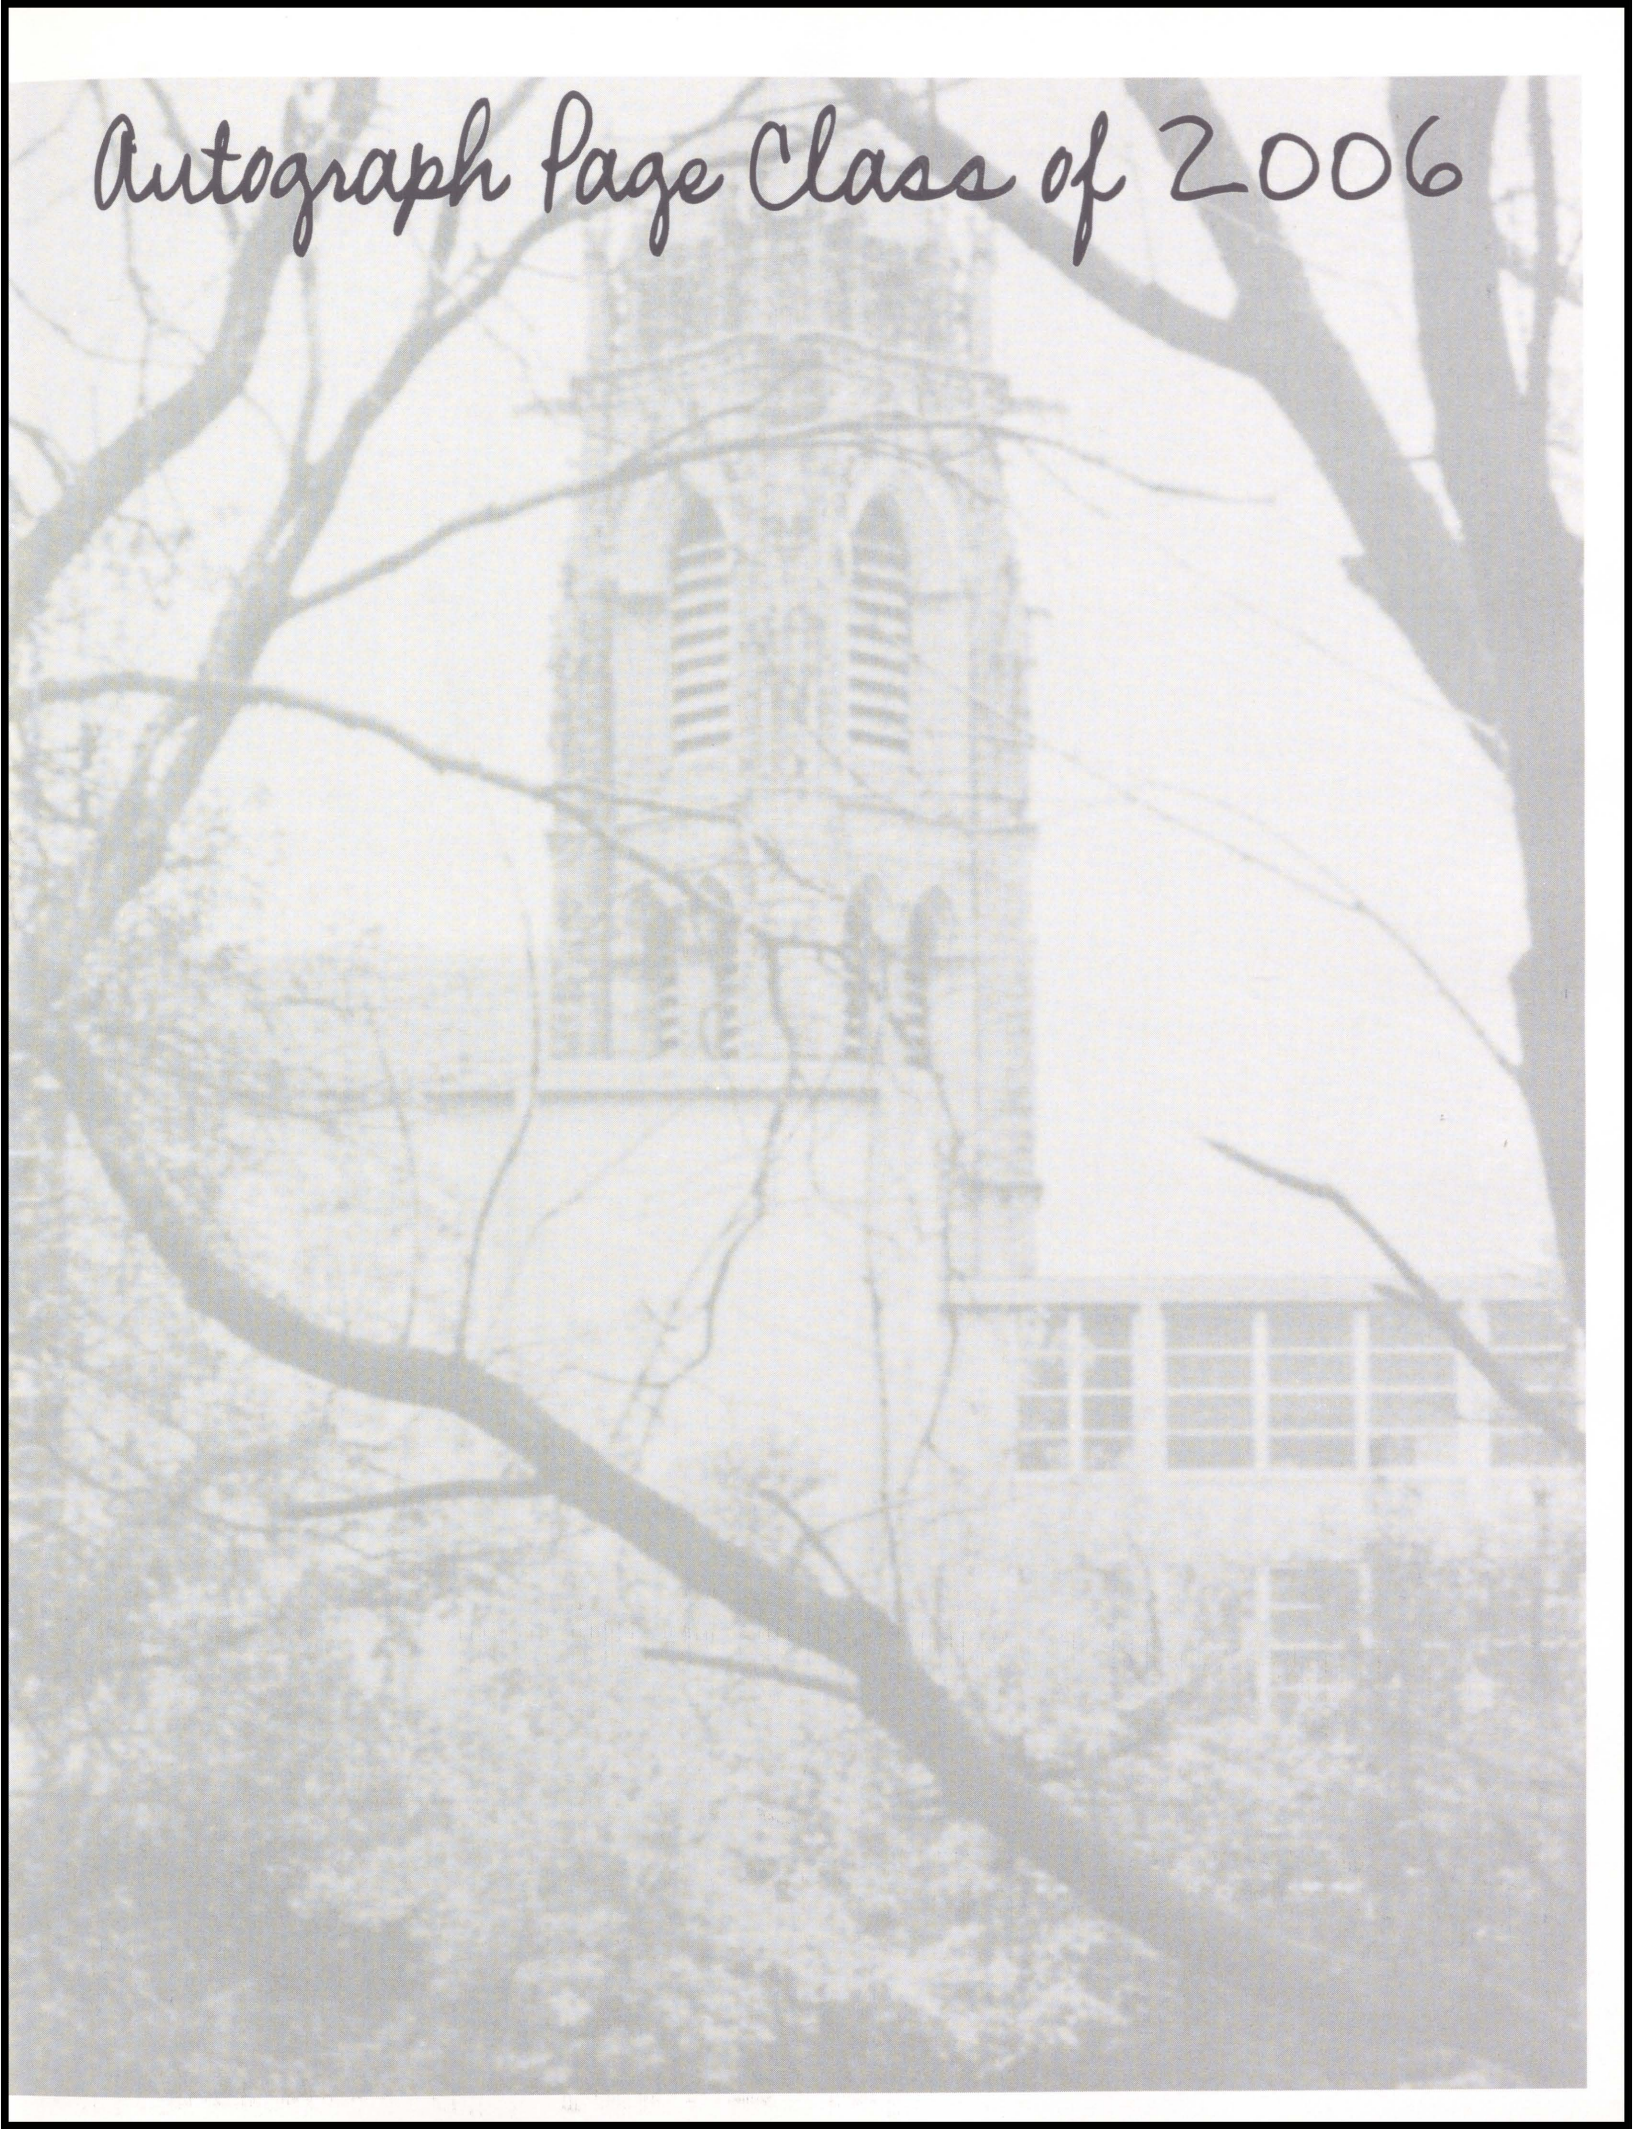

As the sun was setting, those standing at the door saw the luxurious limos stop briefly to let off the glamorously clad young ladies and gentlemen. The long awaited night was finally here: The Senior Prom. The last official gathering of seniors, an event no one will ever forget.

On this special day the ladies were adorned in beautiful gowns and the gentlemen were dressed in elegant tuxedos. It was significant to see Barringerites dump their blue jeans and casual attire for the graceful and sophisticated attire of the evening.

As tears of happiness and sorrow flooded the dance floor, couples stretched out their arms and linked together with others to feel the tunes of the 21st century. Race was insignificant here as the dazzling beauties and their dates sprang to the scene becoming part of a moment to be frozen in time. On this special night, each and every person there did not see themselves as students, but instead as friends dancing away the night... a night to be treasured forever.

The Katrina Effect

This past year a tragedy struck the United States of America. This tragedy affected all Americans in different ways. That tragedy was the terrible Hurricane Katrina. Katrina is estimated to be responsible for \$75 billion in U.S dollars of damages, making it the costliest hurricane in our history. The storm has killed 1, 604 people, making it the deadliest U.S hurricane since the 1928 Okeechobee hurricane.

Katrina formed over the Bahamas on August 23, 2005, and crossed southern Florida as a minimal hurricane before strengthening rapidly in the Gulf of Mexico, becoming, at that time, the strongest hurricane ever recorded in the Gulf. The areas affected were the Bahamas, south Florida, New Orleans Louisiana, Mississippi, Alabama, Florida panhandle and most of eastern America.

It was just like yesterday, the day that most of us will never forget. August 31st 2005, at about 8:00 p.m. Eastern Standard Time, Hurricane Katrina took her fury out on New Orleans, Mississippi and Louisiana. Even though we here in New Jersey were safe, our families over there weren't. Families who in a twinkling of an eye lost all their property, loved ones, and jobs. Now the once famous state known mostly for its musical heritage became a piece of land where people tried desperately to pick up the pieces of what once was their normal lives.

Weeks after that heartbreaking day, millions of people far and wide stood up to the plate opening their hearts, doors, and wallets to help the victims. Thousands of miles away, here in New Jersey, the destruction Katrina caused we heard, saw on TV and felt. Many different organizations, and individuals contributed to the relief effort by donating clothes, medicine, food, and most importantly, money.

Schools weren't left out, they organized fundraisers, such as bracelet sales, candy sales, lemonade stands sales, and many more. In Barringer, our approach was different. Instead of candy sales, or a car wash, we did something unique and different - shoe boxes. One of our physical education teachers, Ms. Helen Morton and her classes, thought of ways and ideas we could create fundraisers to help the victims. The idea that seemed best to both the teachers and students was the shoebox.

The idea of a shoebox sounded strange, but honestly it was "genius". All that was required was that students and teachers accumulate shoeboxes, wrap them up and fill them. Items such as sanitary products, food, clothes, toothpaste, tampons, soap, lotions and so on, as well as anything they felt would be useful to the victims were packed, and by the end, boxes were donated and brought to Ms. Morton's office in the gym. Day by day the quantities increased.

The twilight students in school were also involved. Ms. Denise Alamo, an art teacher, with her classes, created hand-made inspirational cards that were attached to the boxes. Students donated clothes, food, and sanitary items, others volunteered their time to help wrap, and pack the boxes.

When the project finally came to an end almost a hundred boxes were collected. A hundred might seem small, but the fact that such a brilliant idea was thought of, processed and accomplished in Barringer, makes it a big deal. A big deal in our lives and a bigger deal in the lives and hearts of those, who would open the boxes, read the message of hope in each card and maybe, just maybe, form a smile on their faces.

• ACTIVITIES.

'CLASS OF 2006.

Shining Where The Blue Bear

**Through The Shadow
Pride Shines Bright**

BLUE BEAR ACTIVITIES

SENIOR CLASS COMMITTEE

The business of the senior class committee was to raise money for graduation expenses and other activities related to the student's final year at Barringer. The often seen and heard class president Shanta Ricks was involved in all aspects of senior class business. She, Vice president Natasha Simmons and other members of the committee were invaluable to assist advisor Mr. Keith Starks in the many decisions necessary to make 2006 a successful year.

ART CLUB

Ms. Denise Alamo showing of Luis Ortiz's masterpiece.

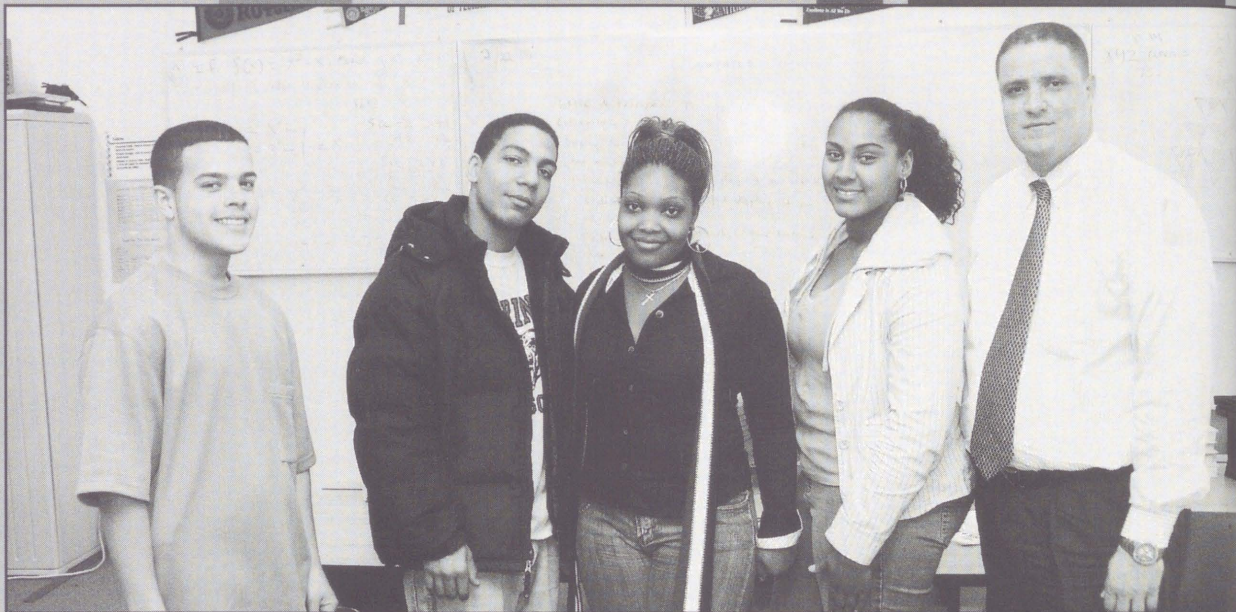

The Art Club helps to prepare all of Barringer's young artists for college or industry. The advisor, Ms. Denise Alamo has students working in different media so that they focus on developing their art skills for college or as a career.

Anna Loreny Quintero, Yasmin Stephenson, Luis Ortiz and advisor, Ms. Denise Alamo

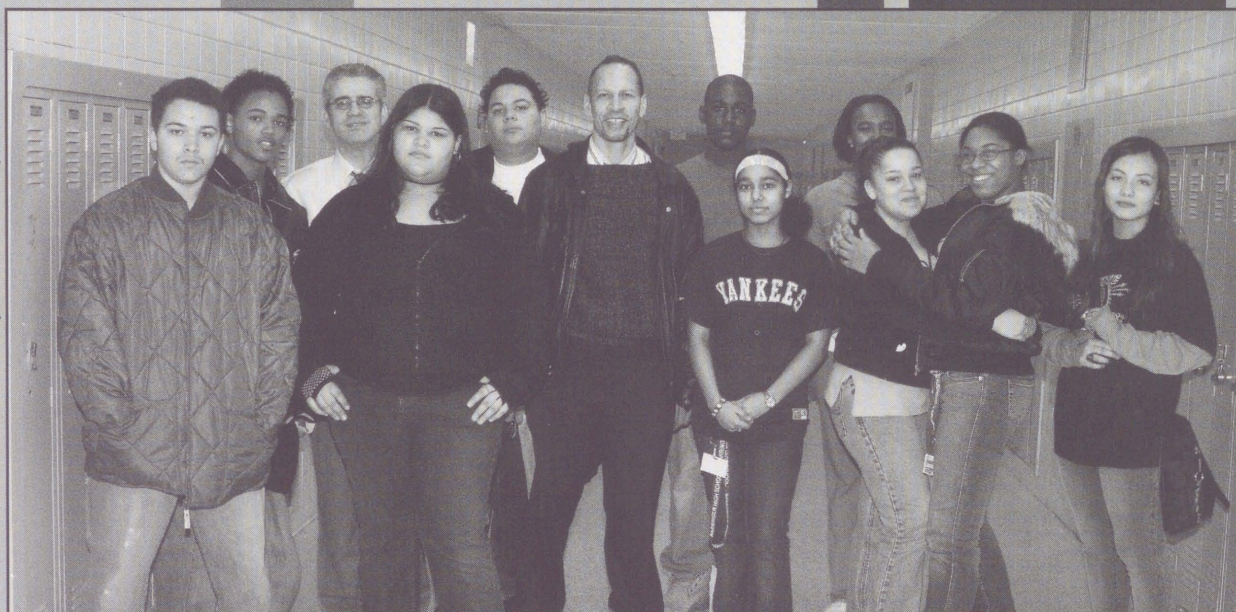

STUDENT COUNCIL

Most people would love to be a celebrity in the movies or on Broadway. The Drama Club is open for every grade and every student. The club prepares all the young actors of Barringer High for the stage or big screen. The advisors Mr. Jose Gomez - Rivera, and Mr. Robert Bell, introduce parts in a play that might be performed in school and in competition.

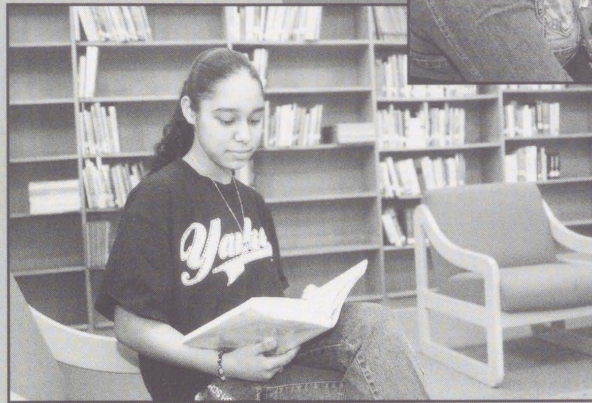

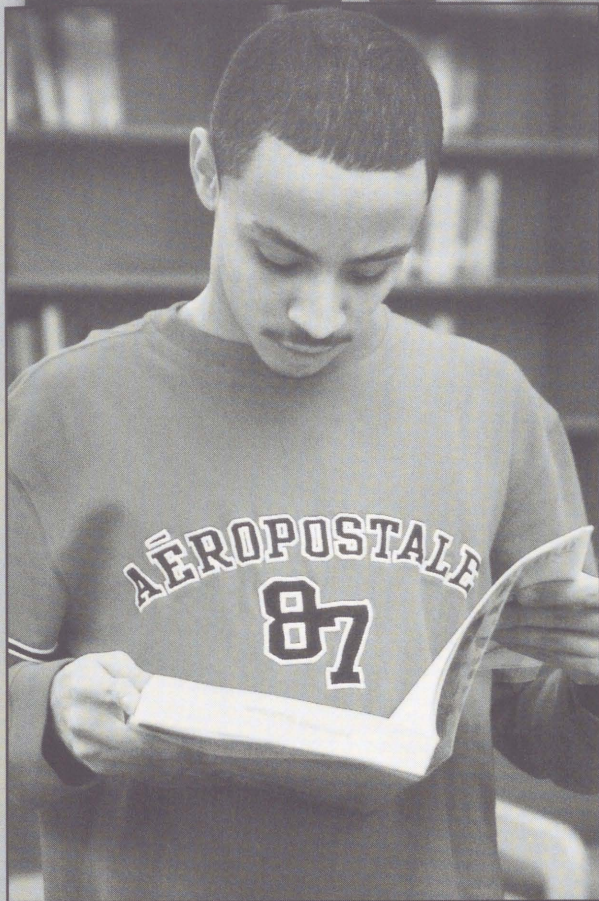

DRAMA

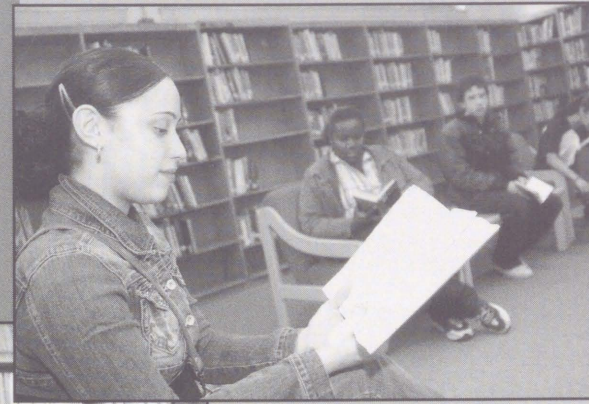

The Student Council is an organization that helps establish a better learning environment for the students of Barringer High through governmental projects and leadership training. The advisor of the Student Council Mr. Jean Perez, helps the members take part in activities such as voter registration drives, and citywide Student Council events.

BOOKTALK

Reading is food for the Brain.

The Book Talk Club helps students to improve on their writing, and vocabulary skills. Ms. Yvonne Peterson the advisor of the club invites speakers to visit occasionally at meetings. Members discuss current books and other topics related to the publishing business.

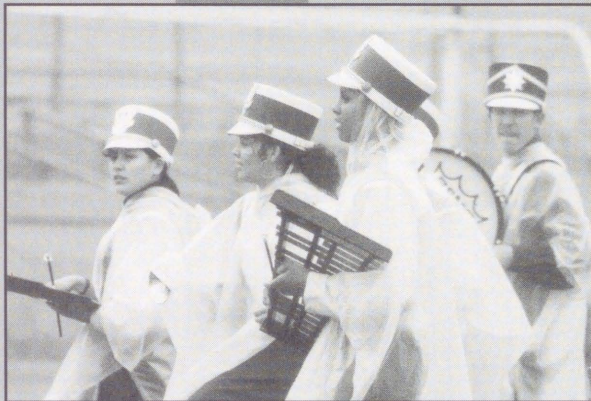

Ana Loreny Quintero, Julian, Ivelis, Naomi, Cristina Cullazo, Steven Zuzuraga, Yasmin Stephenson, Christopher Cancel, and advisor Ms. Peterson

BAND

Drums are the heartbeat of the band.

The first sound you hear at our pep rallies or football game half-time is the Barringer Band. The Band includes many talented instrument-playing students. The Band teacher Mr. Juan Rodriguez, teaches the members of the club how to play a variety of instruments so they are prepared to perform in school and, or parades.

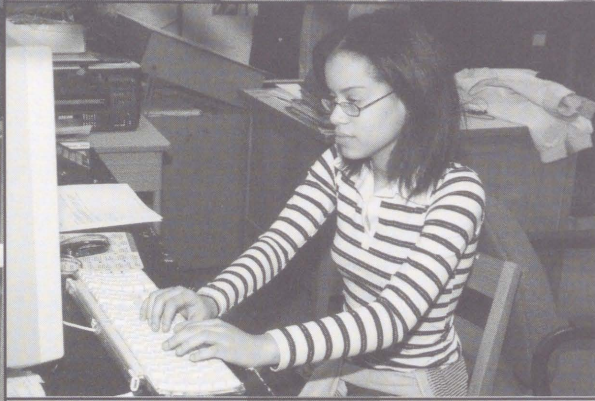

Rain or shine the band does the job.

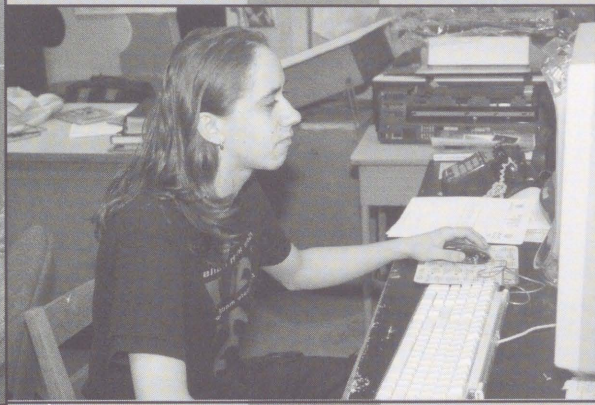

ACROPOLIS NEWS

Candice Mollett and Julia Wiltshire celebrate after distribution of the Acropolis News.

Gabriella Bravo Photoshops the latest version of her Broad and Market Comic strip.

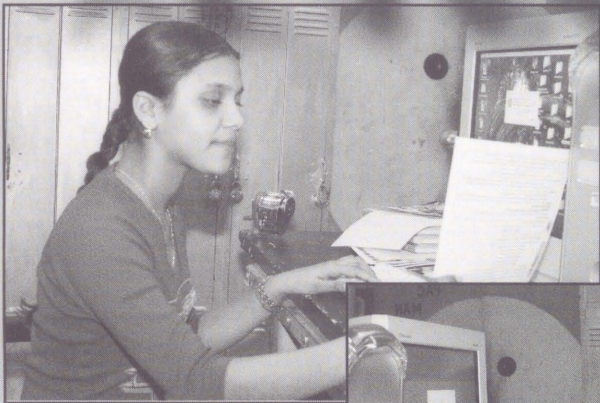

Jonathan Cardec prepares his story on video game technology for the next issue.

The Acropolis News highlights ongoing activities and events at Barringer. It is an activity for students who enjoy writing or photography. The adviser of the Acropolis News is Mr. Salvatore DiGerlando, and the Editor -in-chief is Ms. Bukky Orija. The newspaper is published five times a year, and it is the only full color newspaper in the Newark Public School system.

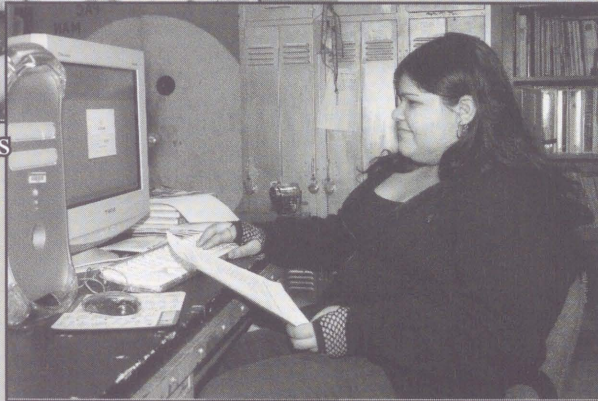

Reynaldo Ortiz, Editor in chief Bukky Orija, Julia Wiltshire, Candice Molette , Advisor, Mr. Di Gerlando Adriana Carasquillo, Crystal Patrick, and Omadhevi Bhola.

YEARBOOK

Omادهvi Bhola checks for grammatical errors.

As she reviews the Student Life section, Jeanette Mendez adds the finishing touches.

Editor in Chief Rey searches for inspiration by checking out past yearbook covers.

Anna Loreny, Julia Wiltshire, Omadhevi Bhola, Advisor, Mr. Di Gerlando, Candice Molette, and Jeanette Mendez.

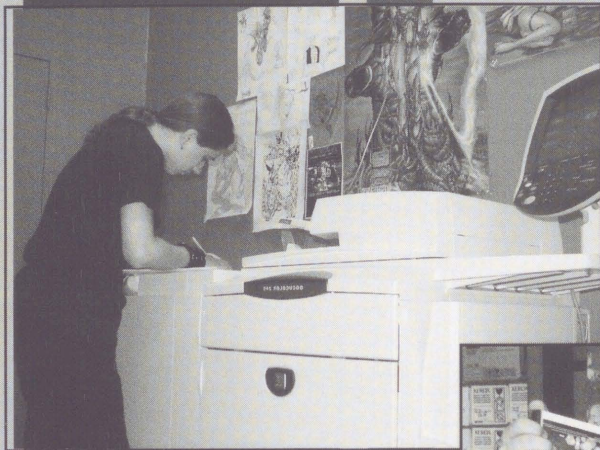

The yearbook staff works to meet a deadline.

Gabriella Bravo repairs Rey's mistakes.

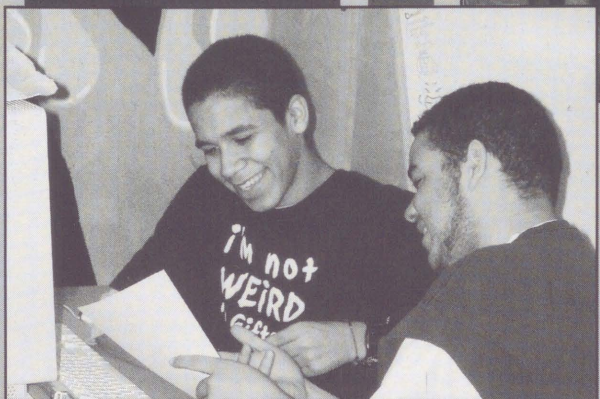

The Athenaeum yearbook is a record of the activities and events that have occurred over the senior year. Mr. Salvatore Di Gerlando is the advisor to the yearbook. The staff consists of all grades 9-12th who spend many hours after school collecting pictures and information to create an award-winning book.

Jonathan Cardec copies proofs.

Adam Acevedo checks out the cover of the 2005 Athenaeum.

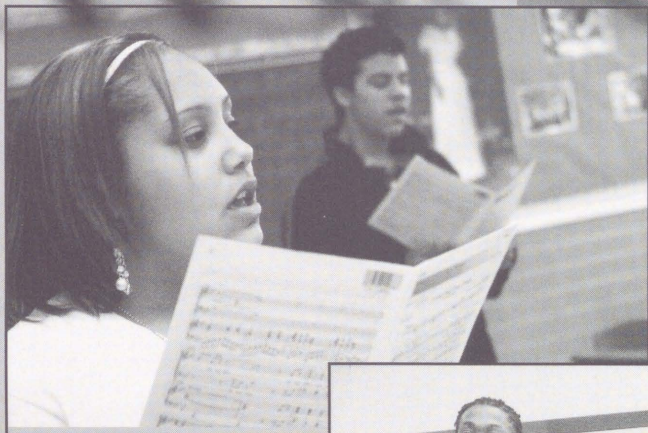

Miguel Rivera and Ramon Colon review page proofs for an upcoming delivery.

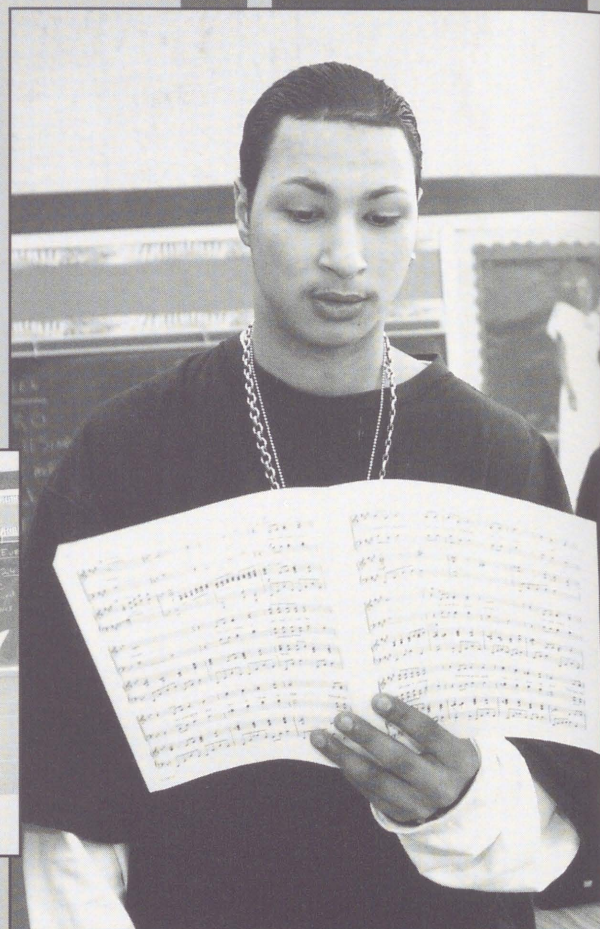

Adriana Carrasquillo and Bukky Orija work hard to make the deadline.

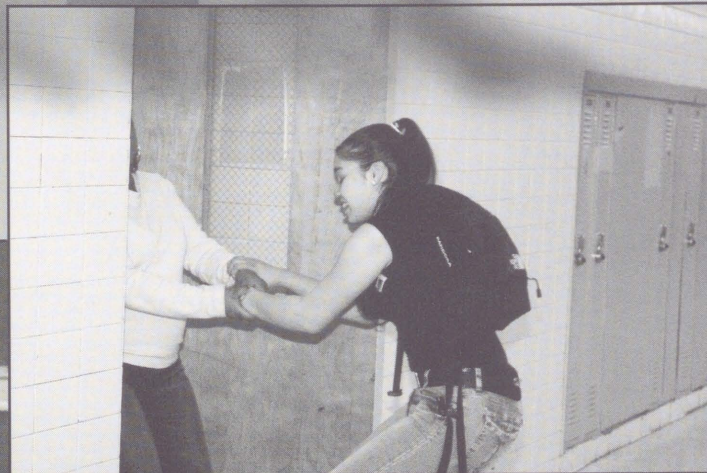

CHORUS

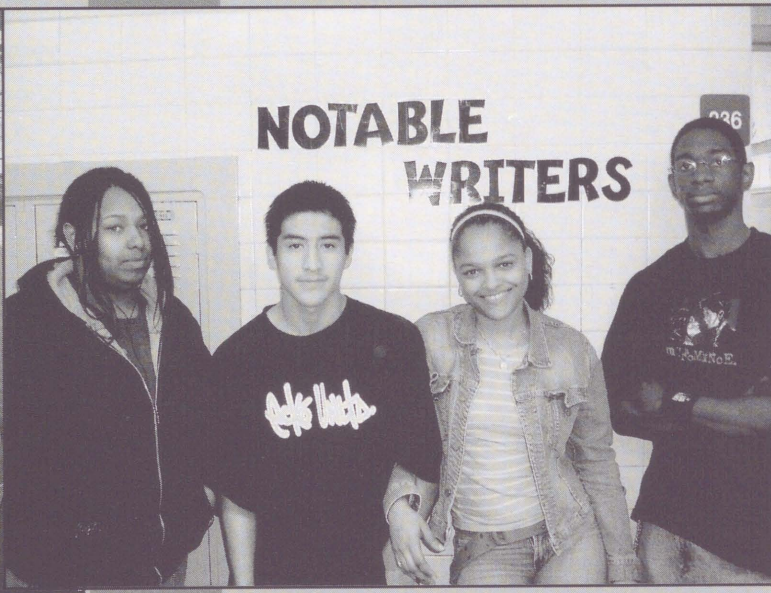

Chorus is an activity for all future “American Idol” singers in Barringer High School. The chorus is full of talented ladies and gentlemen that can groove to the music they sing. Mr. Dexter Allgood the teacher of the chorus helps students learn the skills involved in harmonization by blending their voices with others. And what phenomenal voices our students have!

ACROPOLIS LITERARY MAGAZINE

The Acropolis literary magazine was in Barringer since 1921 making it the oldest student literary magazine in the city of Newark. The magazine sadly only is released three times a year but it makes up for itself with wonderful poetry, and great fictional stories. The teacher of the Acropolis literary club is Ms. Annie Lionas. Her job is to edit the student's Poetry and prose so they can come out perfectly for the magazine.

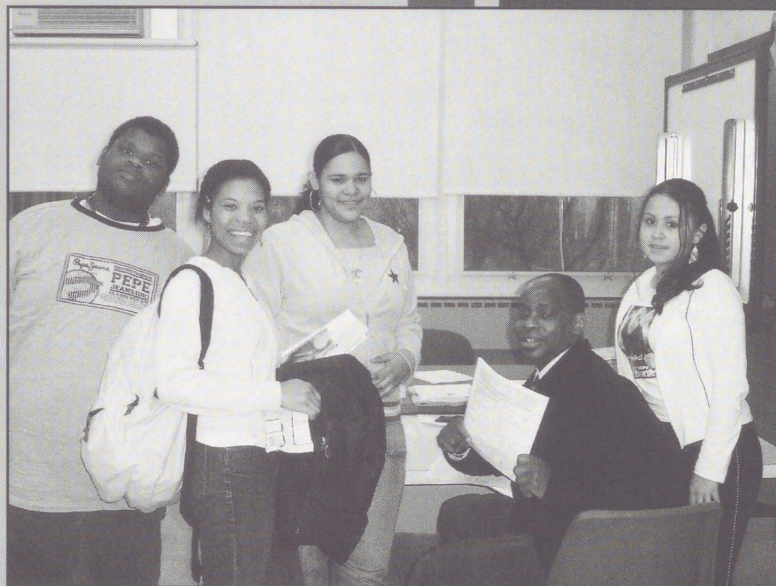

Editor Mecca Crooks, Editor Leyda Arnaud, Dania Moran, Jasmine Edge, Andres Arias, Rahamin Smith, and advisor Ms. Lionas

PATHWAYS TO COLLEGE

The job of Pathways to College prepares Barringer High School students for college. The teachers that are involved with Pathways are Ms. Ursula Whitehurst, Mr. Calvin Souder, and Ms. Doris Covington. Students that complete Pathways to the College program are linked to many colleges through scholarships.

SPEECH TEAM

Al-Campbell, Yieselle Acencio, Arnette Hollis, Keyonnah Adams, Aquariour Hollins, Michael Clark, and Advisor, Mr. Richardson

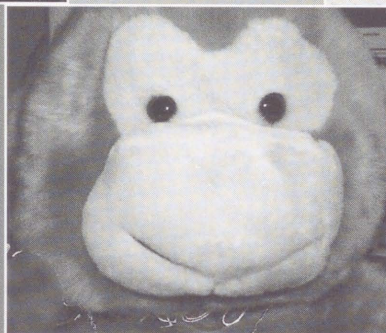

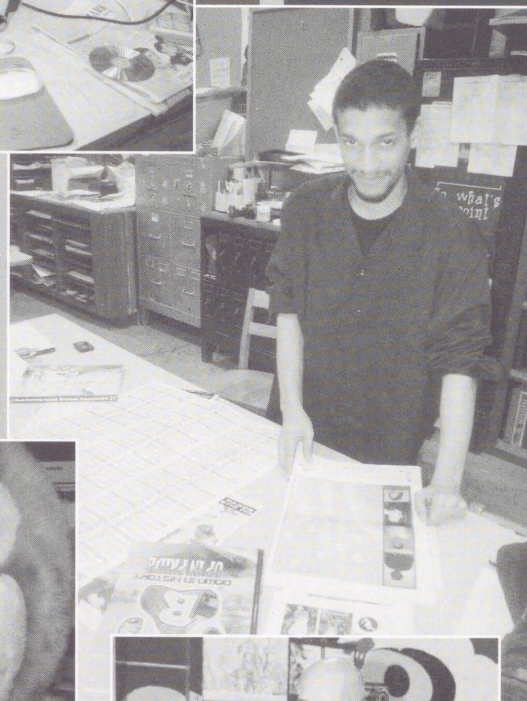

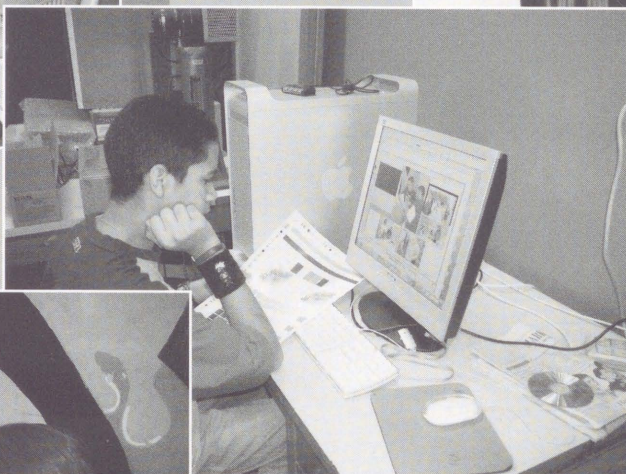

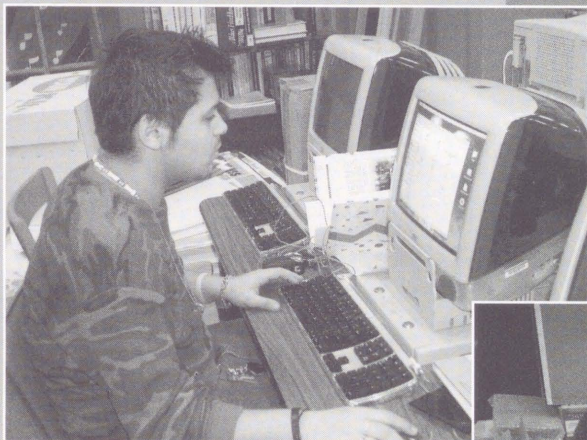

The Speech Team is for students who are interested in learning how to make public speeches. The members of the Speech Team learn to write persuasive speeches and how to speak in front of an audience. The advisor of the Speech Team Mr. David Robinson helps students to feel comfortable performing in front of their peers, and in the classroom. The group participates in events and competitions throughout the years.

SISTERHOOD

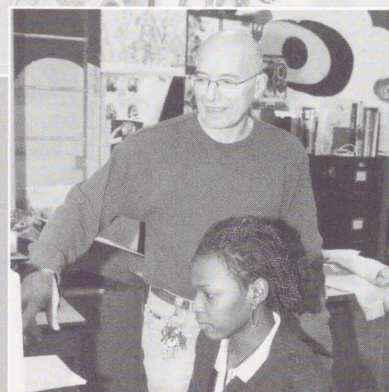

Viola, Shaym Lopes, Yasmine Stephenson, Angela Whiteneck, and advisor, Mrs. Lopez

COMPUTER GRAPHICS

The Boss

Today, computer graphics is an important component in all aspects of photography, and motion pictures. In this activity students learn the how to use professional graphics programs such as Adobe InDesign and Photoshop. The advisor, Mr. Salvatore Di Gerlando prepares members, for college or industry, by allowing them to explore the various types of graphic design that they might develop from their imaginations.

Fascinating projects mixed with high tech computers, great food and juicy info on the latest computers that have yet to come. This was Newark Public School's annual Computer Fair 2005. It is the time where both students and teachers gather around to show and tell about their projects. This computer fair took place at Paul Roberson Campus center, Rutgers University. A few Barringer High School students including two teachers were cordially invited to attend this annual event.

This reporter with personal experience will describe how grand and wonderful this computer fair really was. First, the students and teachers who attended were: Gabriela Bravo 12th grade, Jonathan Cardec 12th Adriana Carasquillo 11th, Bukky Orija 12th, Reynaldo Ortiz 12th, Miguel Rivera 10th, art teacher, Mr. Di Gerlando and technology teacher, Ms. Burney.

It was an amazing feeling just entering the college campus and being able to smell the technology in the air. Or maybe that was the aroma from all the great snacks the schools were offering as freebies at many of the individual displays. Many students and teachers attended the fair to either sight - see or to represent their school.

Students from most of the Newark schools arrived at the fair as well including Arts High School, Technology High School, Vocational Tech, and University High School. Elementary schools such as Ridge Street School, Gladys Hillman Jones, First Avenue School, Branch Brook School, and many more also attended.

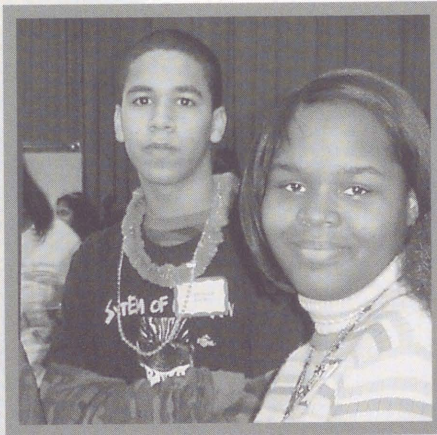

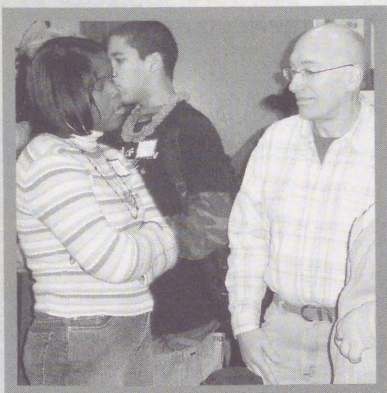

Many of the projects on display were involved with either the environment, entertainment, food, and of course computers. The projects also offered many games, prizes and raffles. The games were closely related to Jeopardy, and Who Wants to be a Millionaire and often included tough trivial questions. Playing those games wouldn't be complete without prizes, and competing was well worth the win.

Barringer's exhibit was both a display of work completed by web page design students, and a PowerPoint presentation showing students involved in an interactive television experiment. Our students explained to passing viewers the rationale behind the artwork and interactive experiment.

Another interesting exhibit was presented at the Arts High School booth. Along with their display, former Barringer teacher, Ms. Janice Durr demonstrated how to draw the human head in a variety of poses.

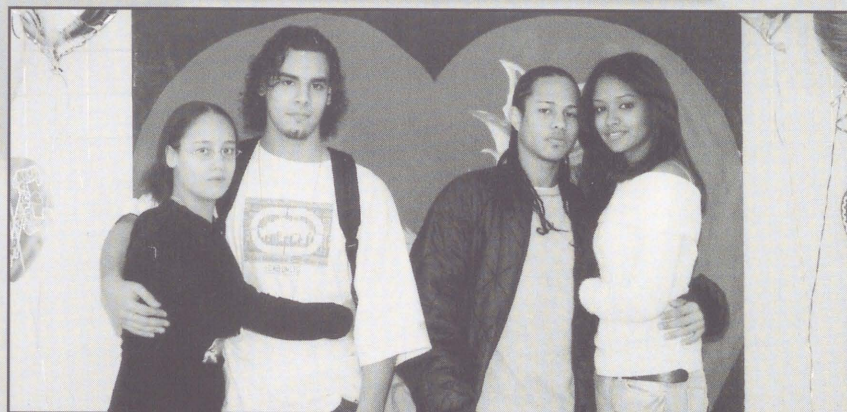

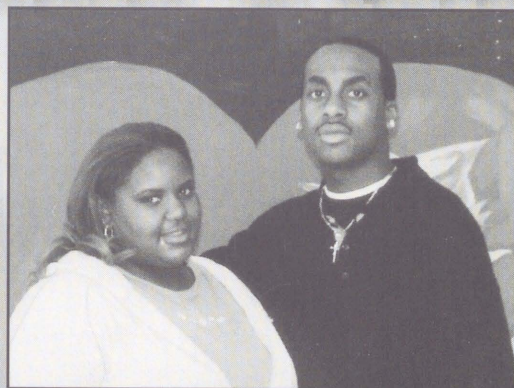

One part of the day that every one was looking forward to was the raffle. It was not very surprising that Barringer did not win, but then when it comes to raffles, it's all about the odds.

Miguel Rivera stated: "It was a wonderful Experience and I am looking forward to another one", Student Bukky Orija quoted: "the best I have been through in my high school years". While this year's computer fair appeared to be a huge success, those in attendance said they couldn't wait until next year.

Claude Dienhouse, Williams Jones, Tim Brown, Gunnur Chacker, Clint Lewis, Thomas Dudley, Isaiah Underwood, Angel Perez, Tahj Stone, Mike Clark, Anthony V prey, James Clowers, Manuel Guarido, Jason Wallace, Leonard Brokerville, Rob Podilla, Varmah Kennedy, Roberto Perez, TK Oseni, Mark Onnian, Ruben Whiteneck, Brardon Morates, Ali Jones, Marquis Powell, Antwone Montague, Couch Souder, Hill, Algier, Owens, Arrington, Tyler, and Glasgow, Lavur Corum, Lawrence Bender, Tbn Jihad, Edward Hennes, and John Asbury.

An exciting sport such as football relies on outstanding sportsmanship. Every single player on the B.H.S football team demonstrated a great deal of sportsmanship, win or lose. Each member of the team played their heart out, and when the dust settled the word "quitter" was never used.

Energetic and full of life, each of the players understood that while football was important, school was the first priority. Senior players were prepared to move on to college, and the coaches looked forward to the young players who will become the varsity of next year.

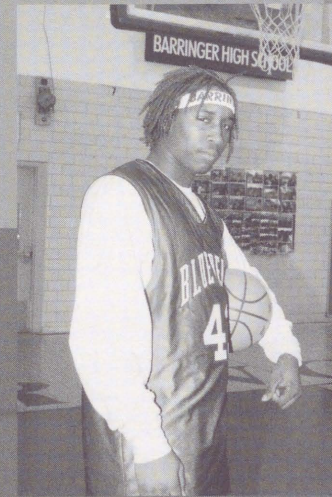

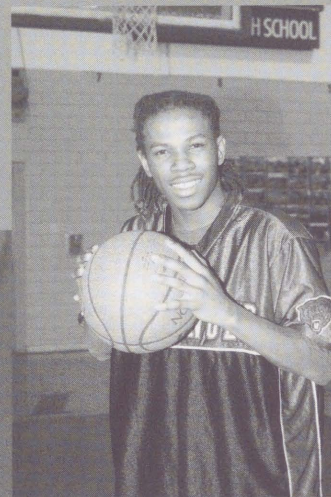

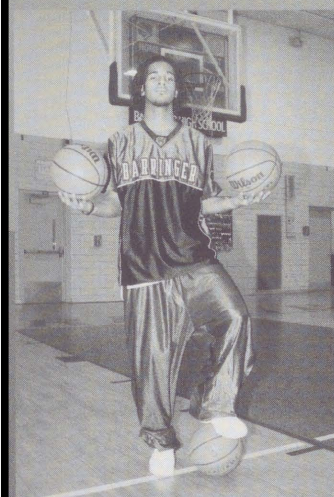

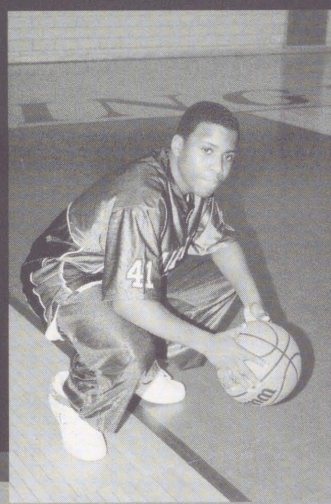

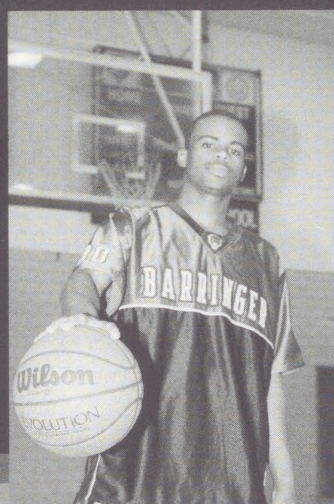

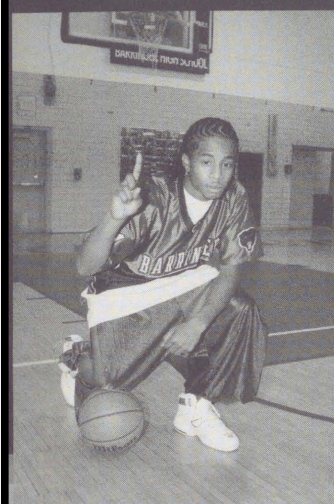

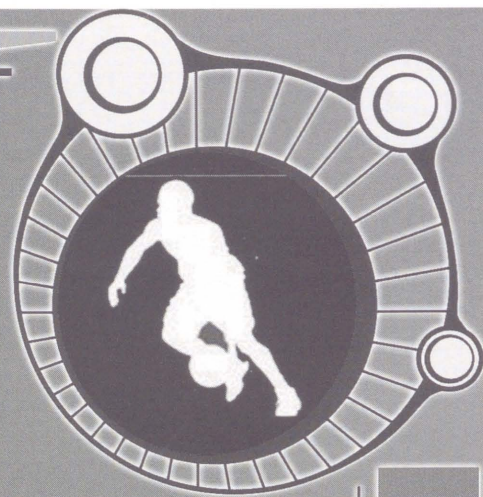

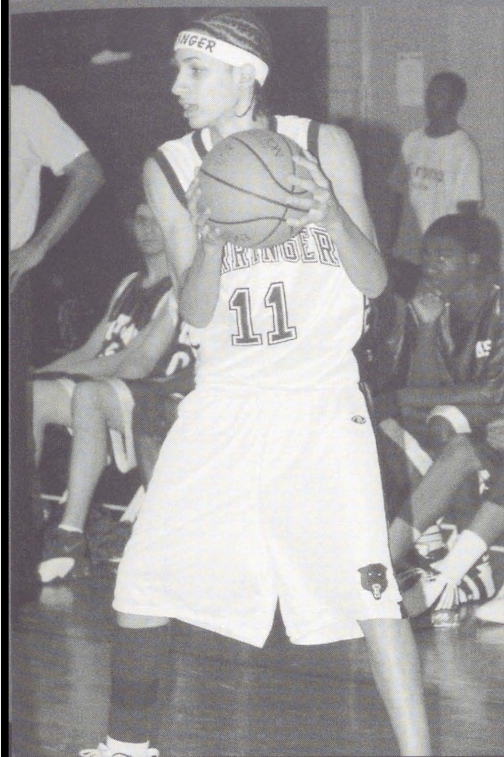

Coach Chapital, Maneus Ladson, Guillermo Quinones, Capt. Rich Williams, Joe Whitehead, Dannel Mendez, Allan Weathens, Coach Fisehetti, Coach Bill, James Clowens, Dawnd Plant, Angel Santiago, Chris Lewis, and Al-tee Thomas.

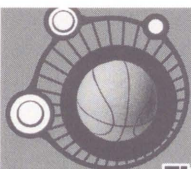

The basketball team philosophy this year was that a quitter never wins and a winner never quits. Considering their difficult schedule, the boy's basketball team enjoyed a successful year. Although there were a few injuries the team played together like winners. Every single player on the team never gave up and always reflected a positive outlook no matter what the final results were.

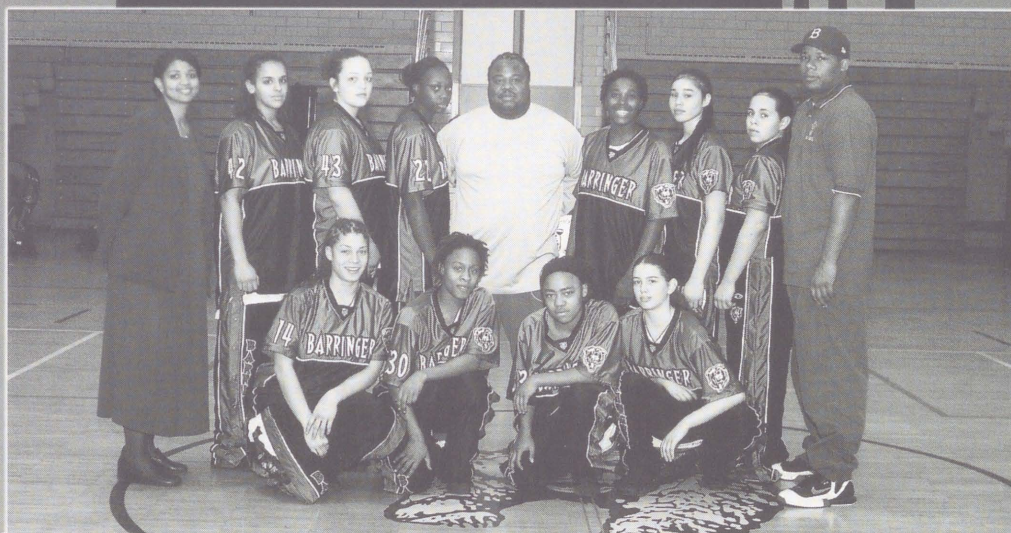

BARRINGER HIGH BOYS BASKETBALL TEAM

CLASS OF 2006

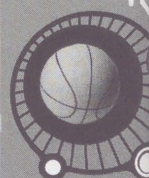

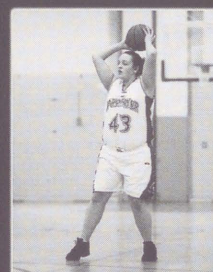

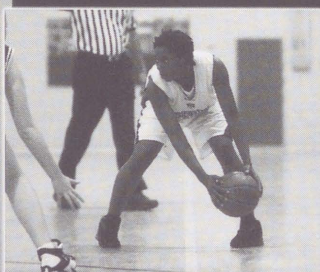

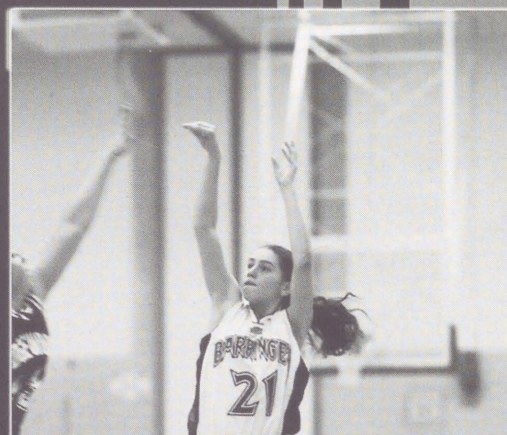

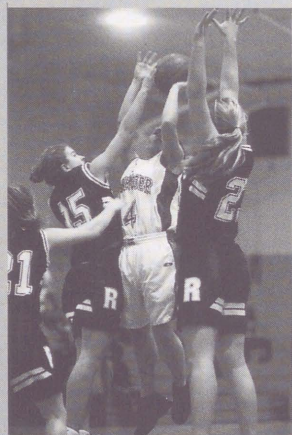

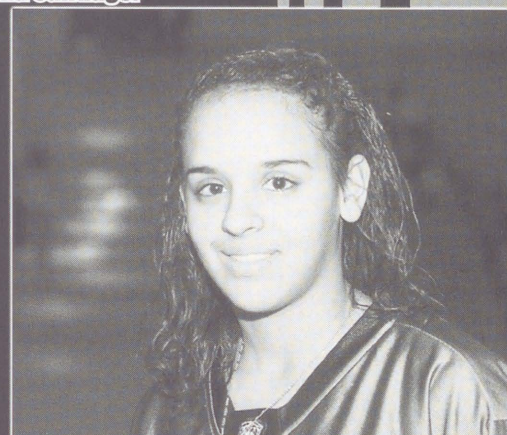

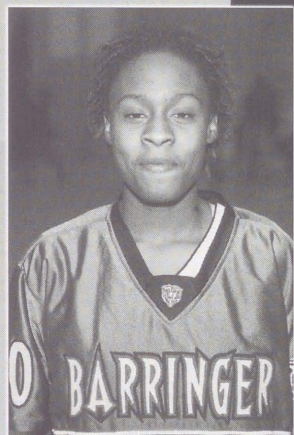

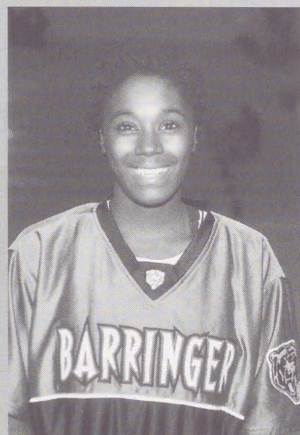

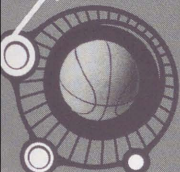

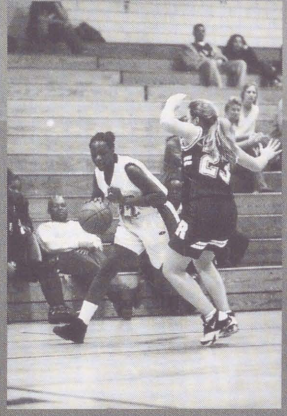

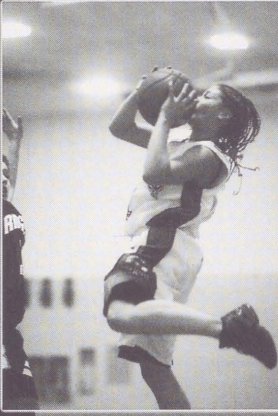

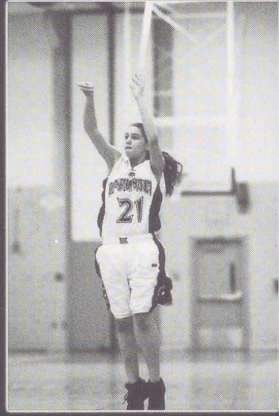

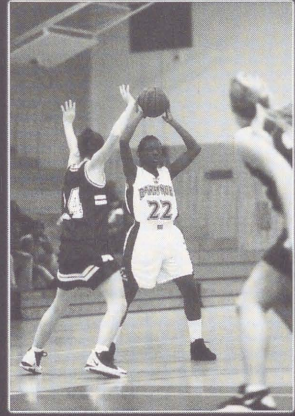

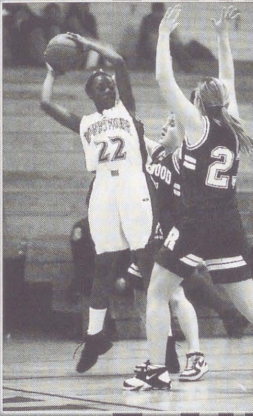

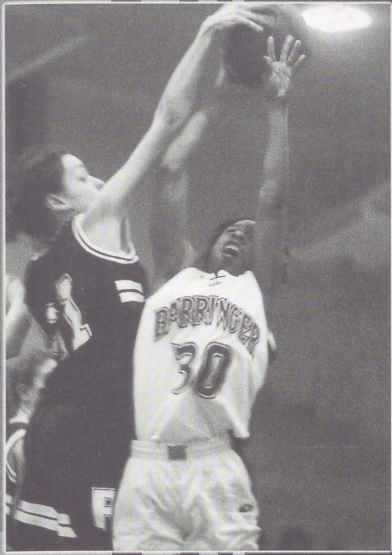

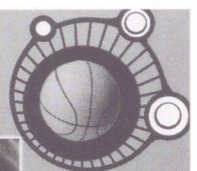

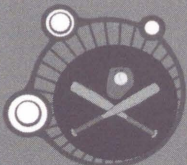

The girls basketball team was a very talented, and energetic squad. Although they had a rough year their final record did not show how they played their hearts out and in so doing showed a great deal of sportsmanship. The team is looking forward to the rookies who will fill in the spots of the vacating seniors. The challenge ahead is to post up a winning season, and the team is motivated to fulfill that goal.

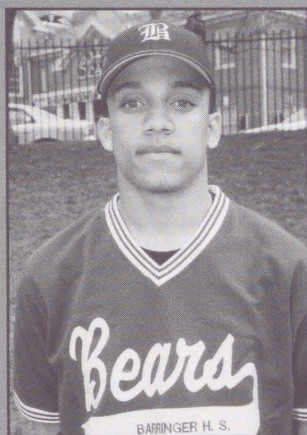

Coach Rodriguez, Jomirys Lozano, Eneida Perez, Ashley Aikens, Coach Owens, Latia Gill, Dania Moran, Yadiria Diaz, Coach Washington, Mirella Cano, Lamisha Crooks, Nikita Powell, Yetena Santiago.

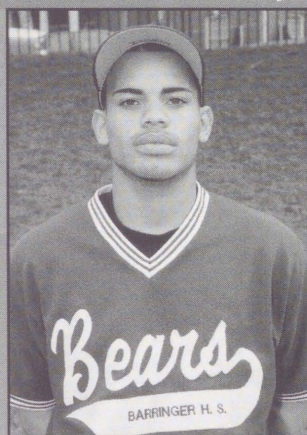

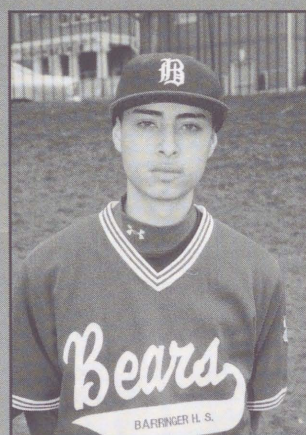

Coach Zeke, Coach M, Marcos Casilla, Victor Nunez, Edgardo Fernandez, Jose Perez, Jose Rivera, Melvin Fernandez, Coach Ed, Coach Aguilar, Mandy Reyes, Gary Melendez, Alexis Rivera, Jose Torres, Eric Liranzo, and Irvin Alcantara.

Through out many years the Barringer High School Baseball team has shown their inability to quit. Their perseverance to continue till the end no matter the odds, has inspired the school and help raise school spirit. The Blue Bear Baseball team has proven to everyone that if you do your best you will always leave the field with your head up high.

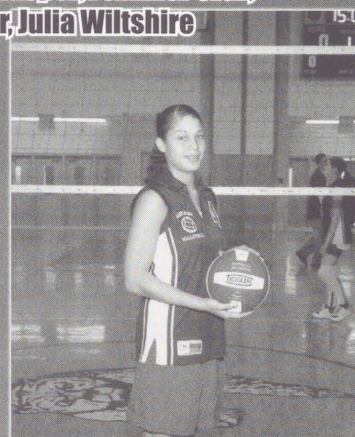

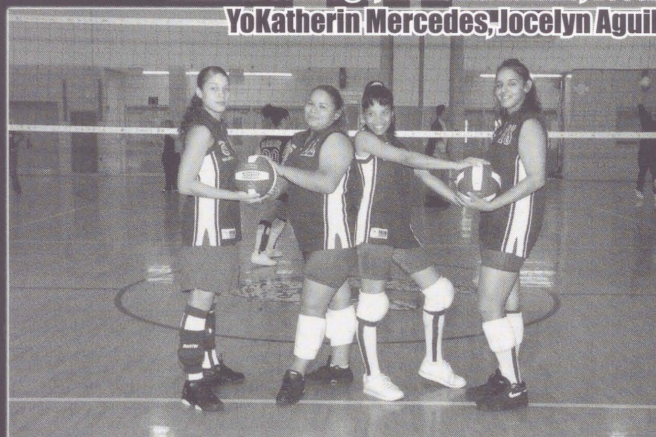

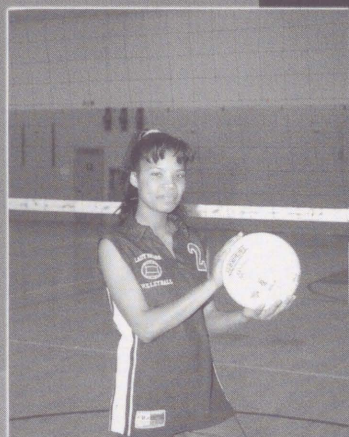

Barringer High School featured a very talented volleyball team this year. And besides demonstrating talent they were also energetic. The 12 players working as a team this year used the spike, bump and serve to overwhelm their opponents. The communication between the coach and the players proved to be very beneficial as the team wrapped the season with great success. Another reason they did great is because they were focused on succeeding.

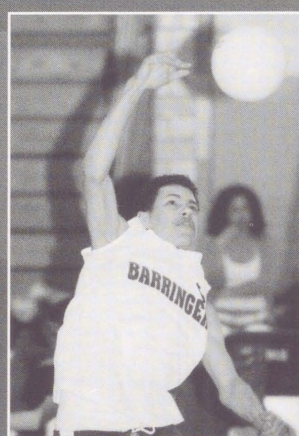

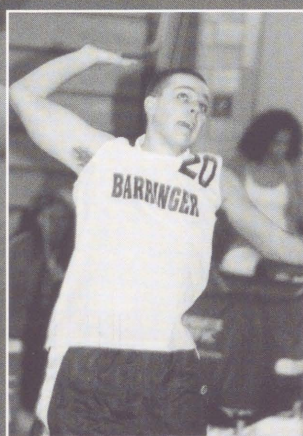

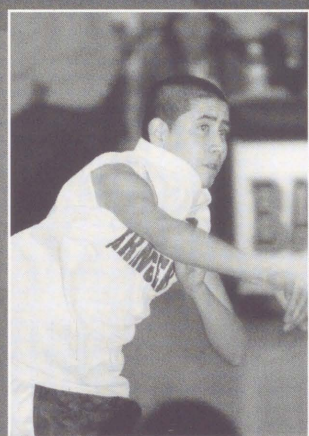

Asst. Coach Erin Force, Alida Chacaltera, Jennifer Osei Frimpony, Yailleen Marreo, Mirella Cano, Isamar Santiago, Maria De Leon, Jomiris Lozano, Daiana Rivera, Yexenia Santiago, Milkenia Lozano, Yoselin Lopez, Jennifer Cruz, YoKatherin Mercedes, Jocelyn Aguilar, Julia Wiltshire

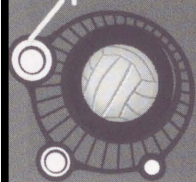

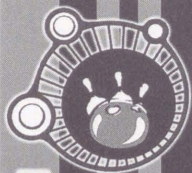

Coach Maribel Valdez, Felipe Siquera, Chris Vidal, Loinis Sosa, Daniel Saez, Brian Diaz, Coach Albert, Noel Saez, Ronnie Puente, Terry Smith, Carlos Tomas.

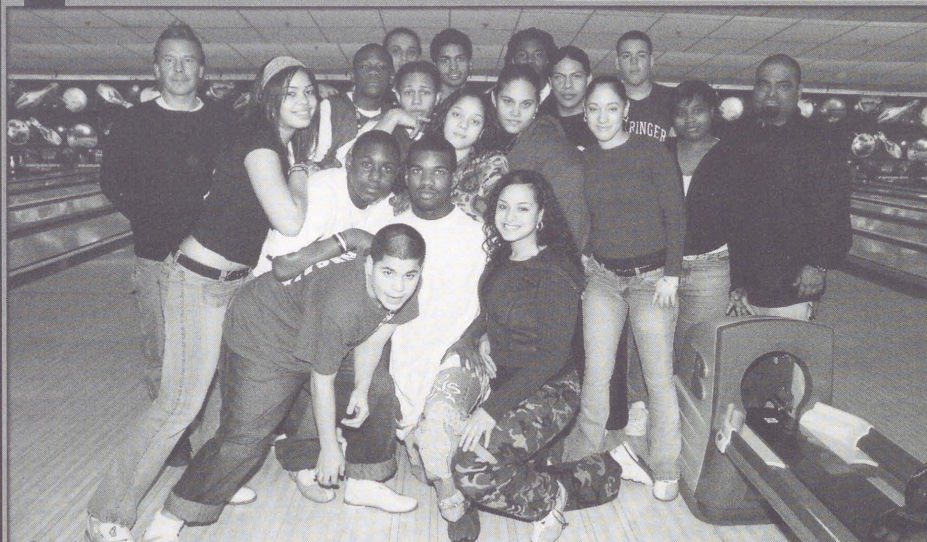

Spiking, bumping and serving are just the tip of the skills that the men volleyball players used this year. They also learned to be cohesive and learned to play as one. The boy's volleyball team was a talented group of competitors this year as they give hard time to their competitions. In their play against other teams they demonstrated great skills, concentration and fitness.

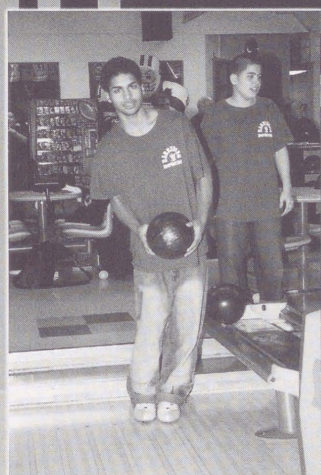

BLUE BEAR BOWLING TEAM

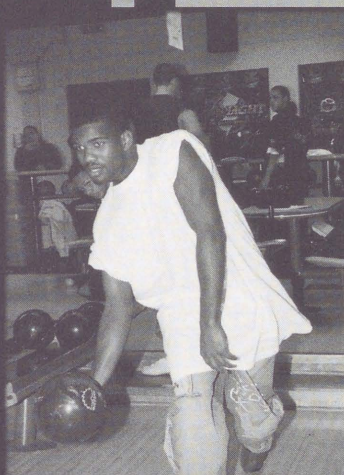

Bowling is a sport that demands consistency. The team this year concentrated on teaching beginners the skill necessary to produce strikes and spares. In competition this year they showed that they are determined to learn more about the sport, and make next year even more successful.

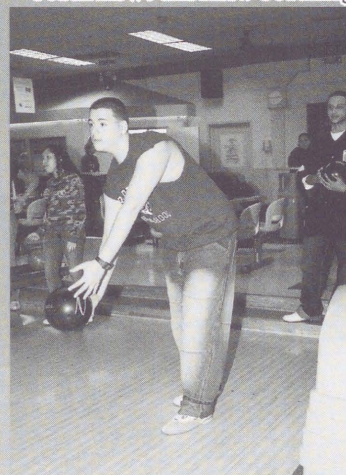

Emmanuel Soto, Erica Bayron, Anthony Griley, Keeghan Padmore, Maria DeLeon, Markyse Joseph, Alexis Rodriguez, Emmanuel Herrera Mary Flores, Candice Collazo, Angela Whiteneck, Jay Selpuveda, Ricky DeLeon, Eber Gomez, Brian Graham, Brian Diaz, Coach Rowe and Asst. Coach Aguilar

Cross county is a sport that demands top physical shape. Three miles is difficult to manage unless one is in tip top condition and our runners demonstrated their conditioning in each and every race. Barringer's fast runners were quick and agile and unbeatable in competition. The runners worked their way through grass, shrubs and woods to keep pace with, and pass other teams..

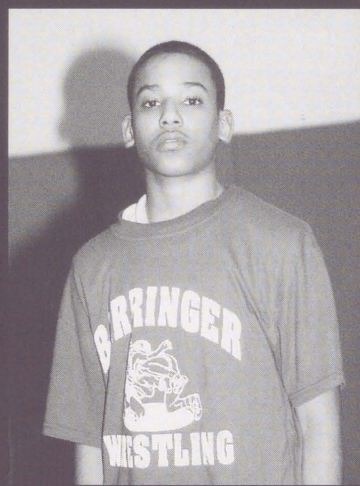

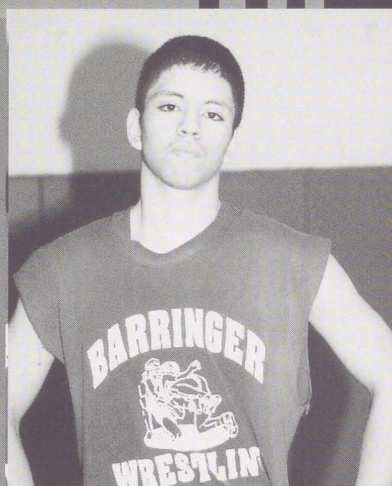

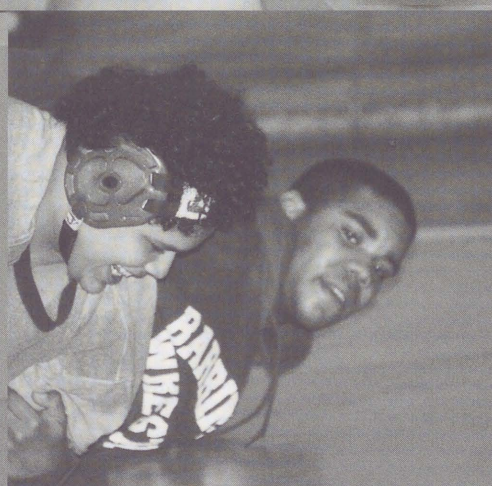

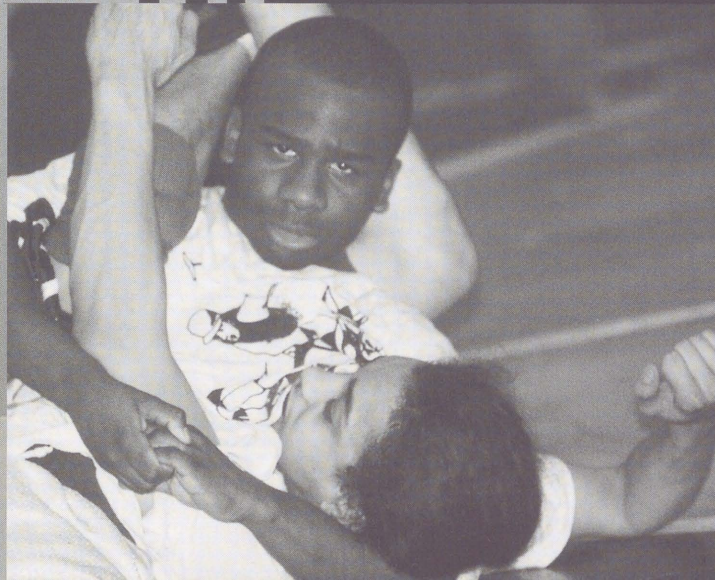

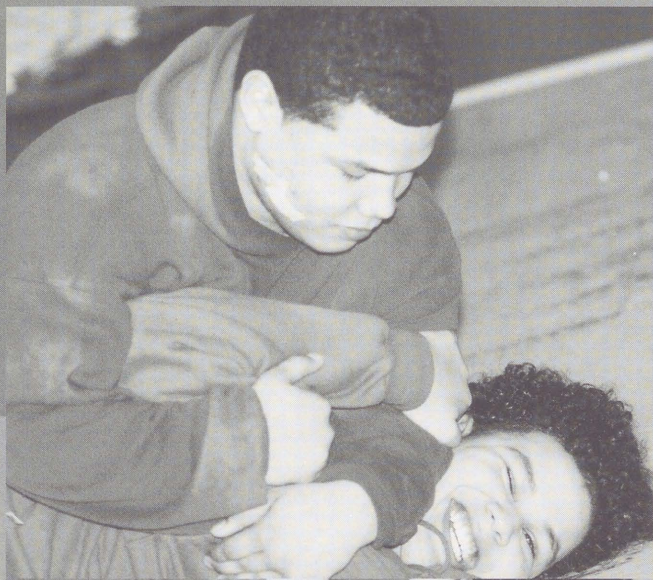

Tennis is a sport for those who enjoy a challenge. It is a sport that demands fitness and nerves of steel. The girl's tennis team had many talented, very energetic and talented girls all who reflected great sportsmanship. Each member, although competing as individuals on the court, worked together as a team. The concentration was on anticipating their competitors moves, and their focus was on winning..

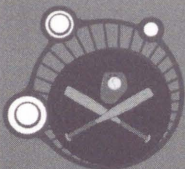

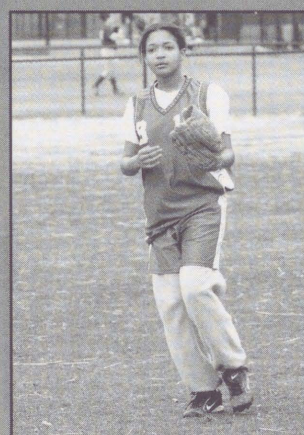

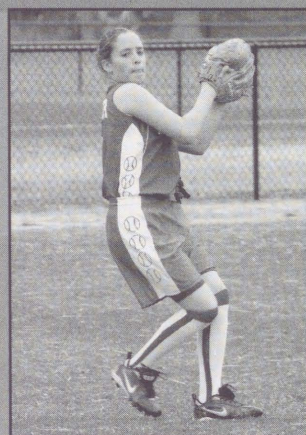

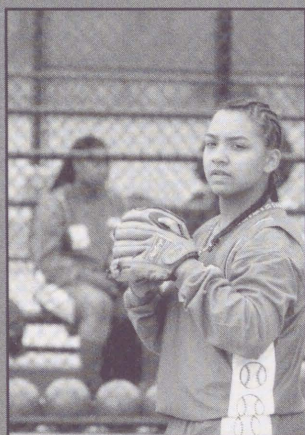

Head Coach Zarro, Mike Pilgram, Cesar Bido, Cristian Coronado, Isaiah Underwood, Takumbo, Juan Bido, Gene, Eduardo Guiliand, Hazim Elsamani, Miguel Ruiz, Natesha Rodriguez, Andres Aries, Manuel Diaz, Johny Soto, Terrance Bender, Nazim Elsamani, Juan Rodriguez, Onix Aviles, Eric Franklin, and Walik Hemingway.

Wrestling is a sport that demands the use of almost every muscle in the body. Strength is important, but, knowledge of the body and how to use it to your advantage is even more important. This year Barringer fielded a very fierce team that was determined to stay off their backs. They demonstrated that knowing the moves necessary to win was a top priority.

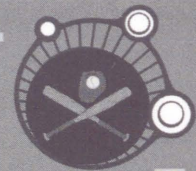

Shyra Lopez, Maria Deleon, Crystal Torres, Jomirys Lozano Stephanie Cruz, Jessenia Sosa, Reyna Montes, Yesenia Santiago, Donya Moray, Domines Rivera, Denise Rivera, Ivelisse Gonzalez

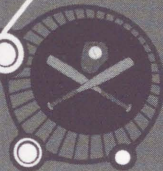

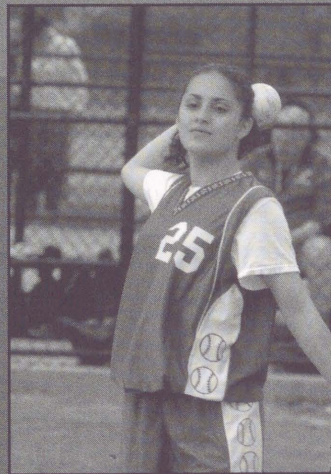

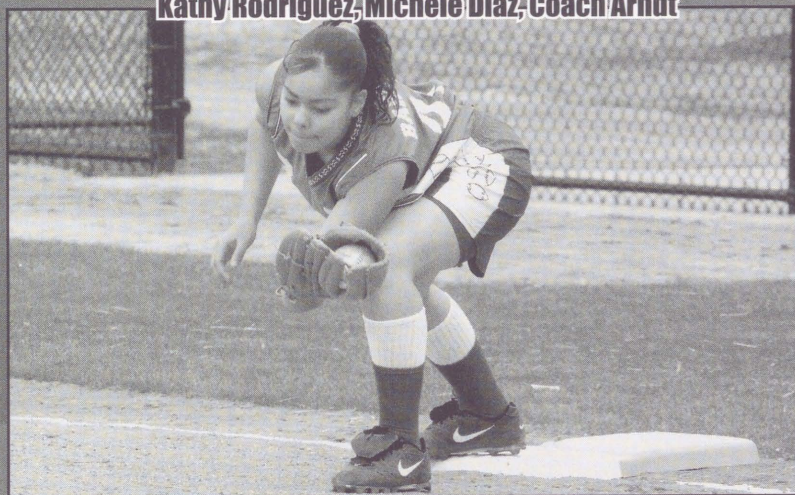

Base running, pitching and hitting are 3 skills the softball team worked on this year. The girls gave their best in each of those categories in every game. They were successful in competing against city schools and the team is looking forward to the rookies who will enhance their future success.

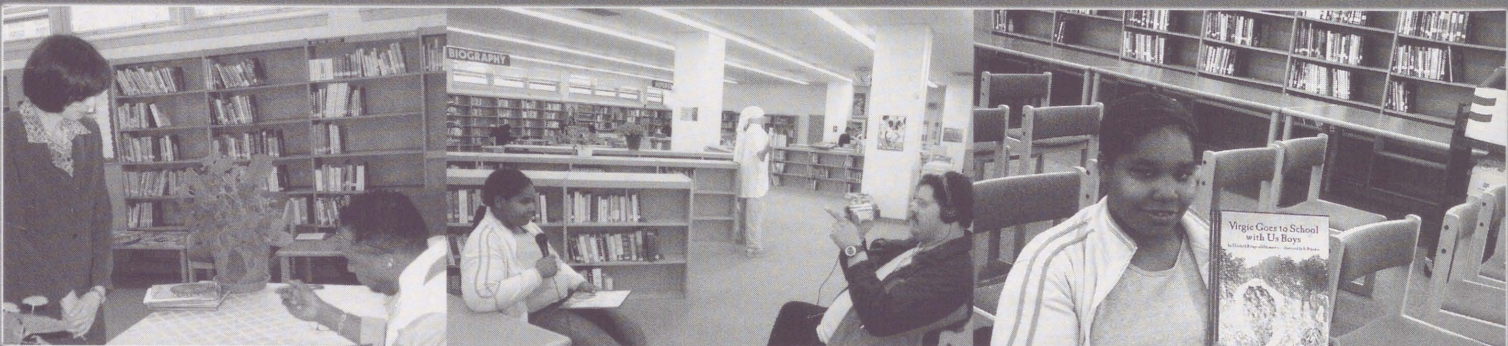

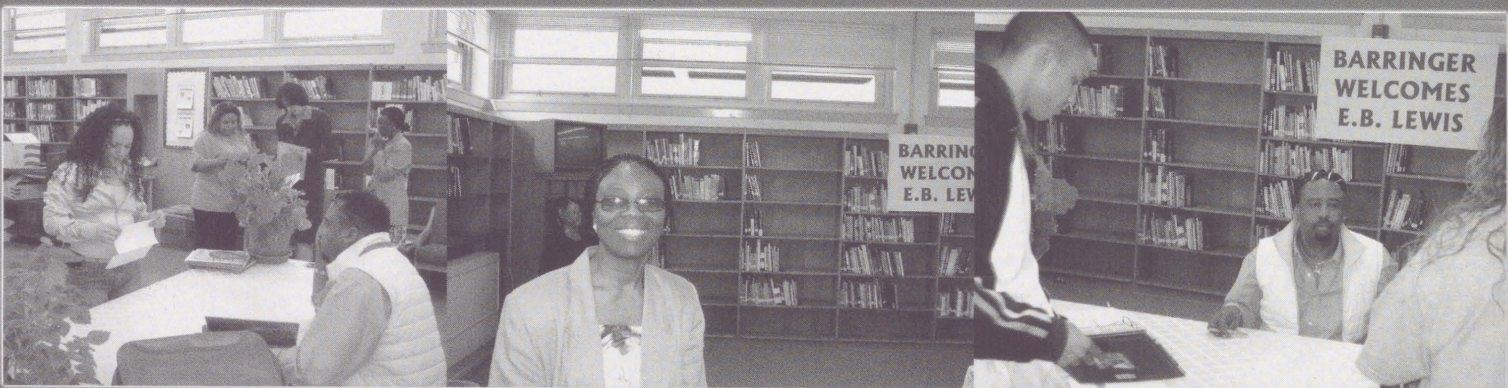

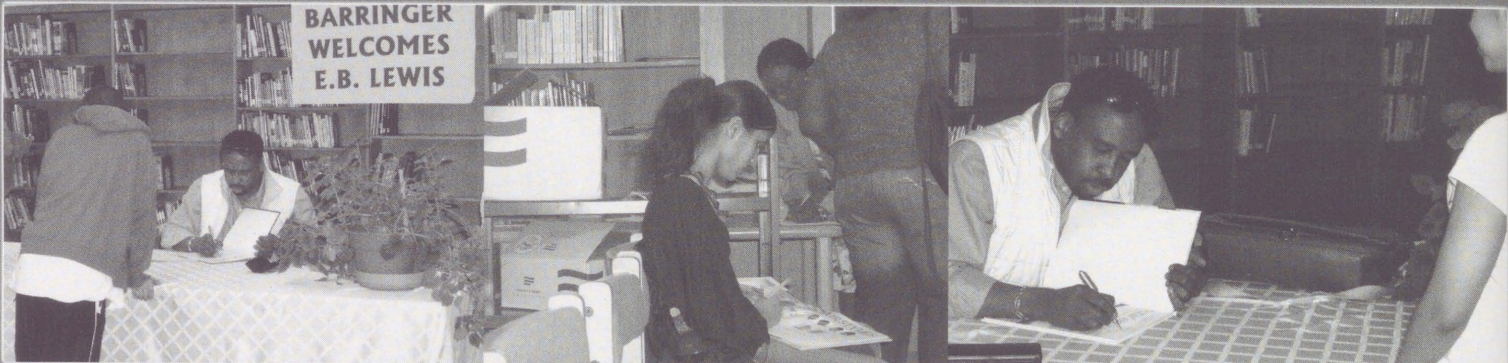

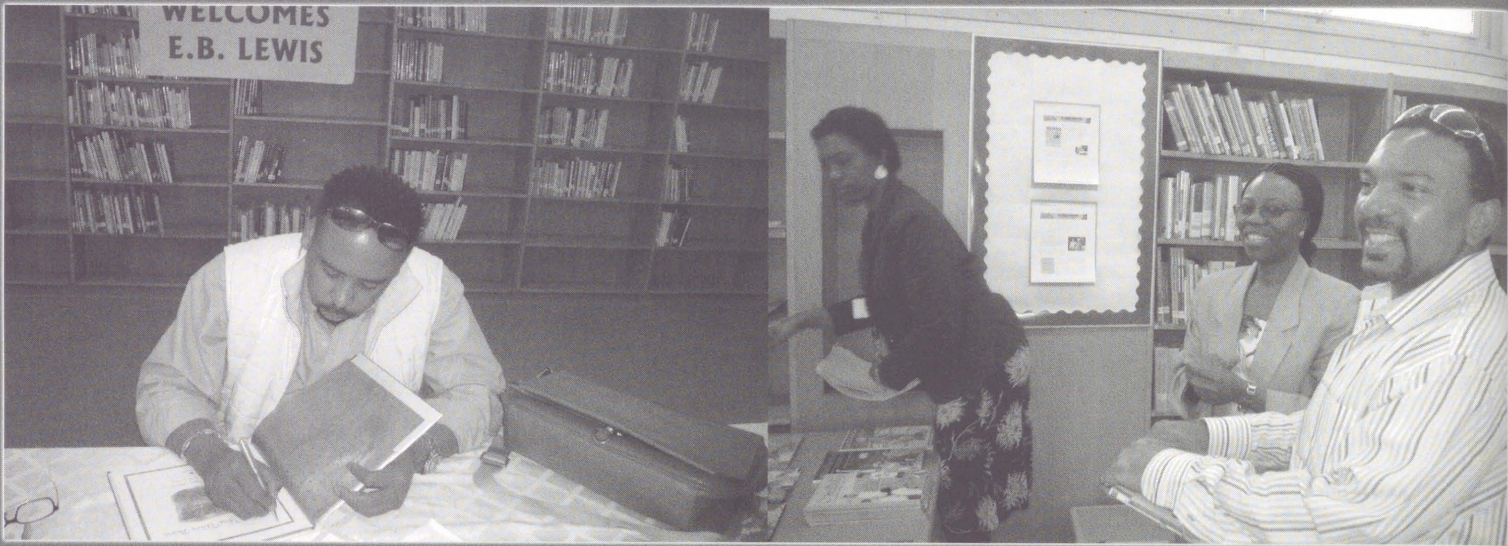

Cristina Osoria, Tyanah Jones, Ella Conninoham, Barbra Cineus, Yadira Diaz, Glamaris Silva, Jenn Loza, Emily Cortez Inicole Guyette, Kathy Rodriguez, Michele Diaz, Coach Arndt

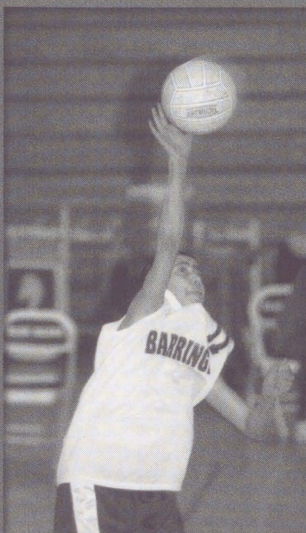

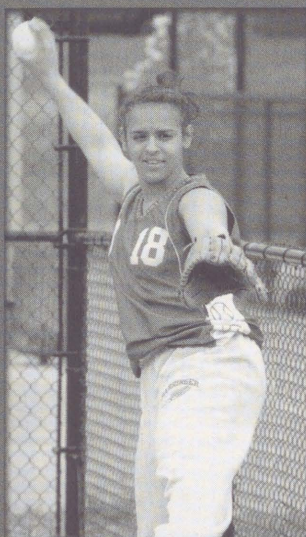

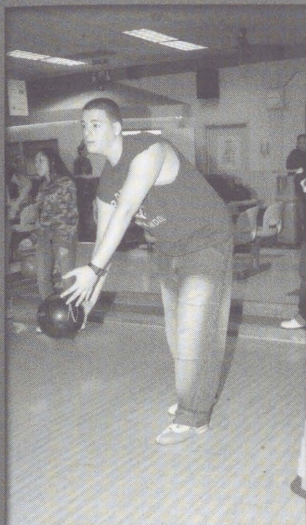

Down the Road With E.B Lewis

E. B. Lewis is the highly acclaimed illustrator of more than thirty children books, including *The Bat Boy and His Violin* by Gavin Curtis, and *Virgie Goes to School With Us Boys*, by Elizabeth Fitzgerald Howard, both Coretta Scott King Honor Books. E. B. Lewis shines his light to the world through his artwork. On April 12th, one of the most renowned children book illustrators, E.B. Lewis, graciously honored the invitation extended to him by Ms. Herring and Ms. Peterson, our library media center teachers. Mr. Lewis spoke about his work and then signed books for those who purchased his work. The Booktalk club members were also given the opportunity to meet Mr. Lewis.

COMIC BOOK CON EXPO 2006

So you have a pile of comic books and graphic novels in plastic sleeves buried in your closet. Do you wonder what that X-men, Batman or Sandman comic is worth? In January, a group of Barringer seniors and alumnus, Jose Soto attended the Metropolitan Comic Convention at the Jacob Javits Center in New York City. The students, Gabriela Bravo, Bukky Orija, Reynaldo Jimenez, Ramon Colon, and Reynaldo Ortiz walked to the many booths to meet some unique characters dressed in super hero costumes. The group also had the opportunity to look over many comic books and graphic novels that have been published over the past fifty years.

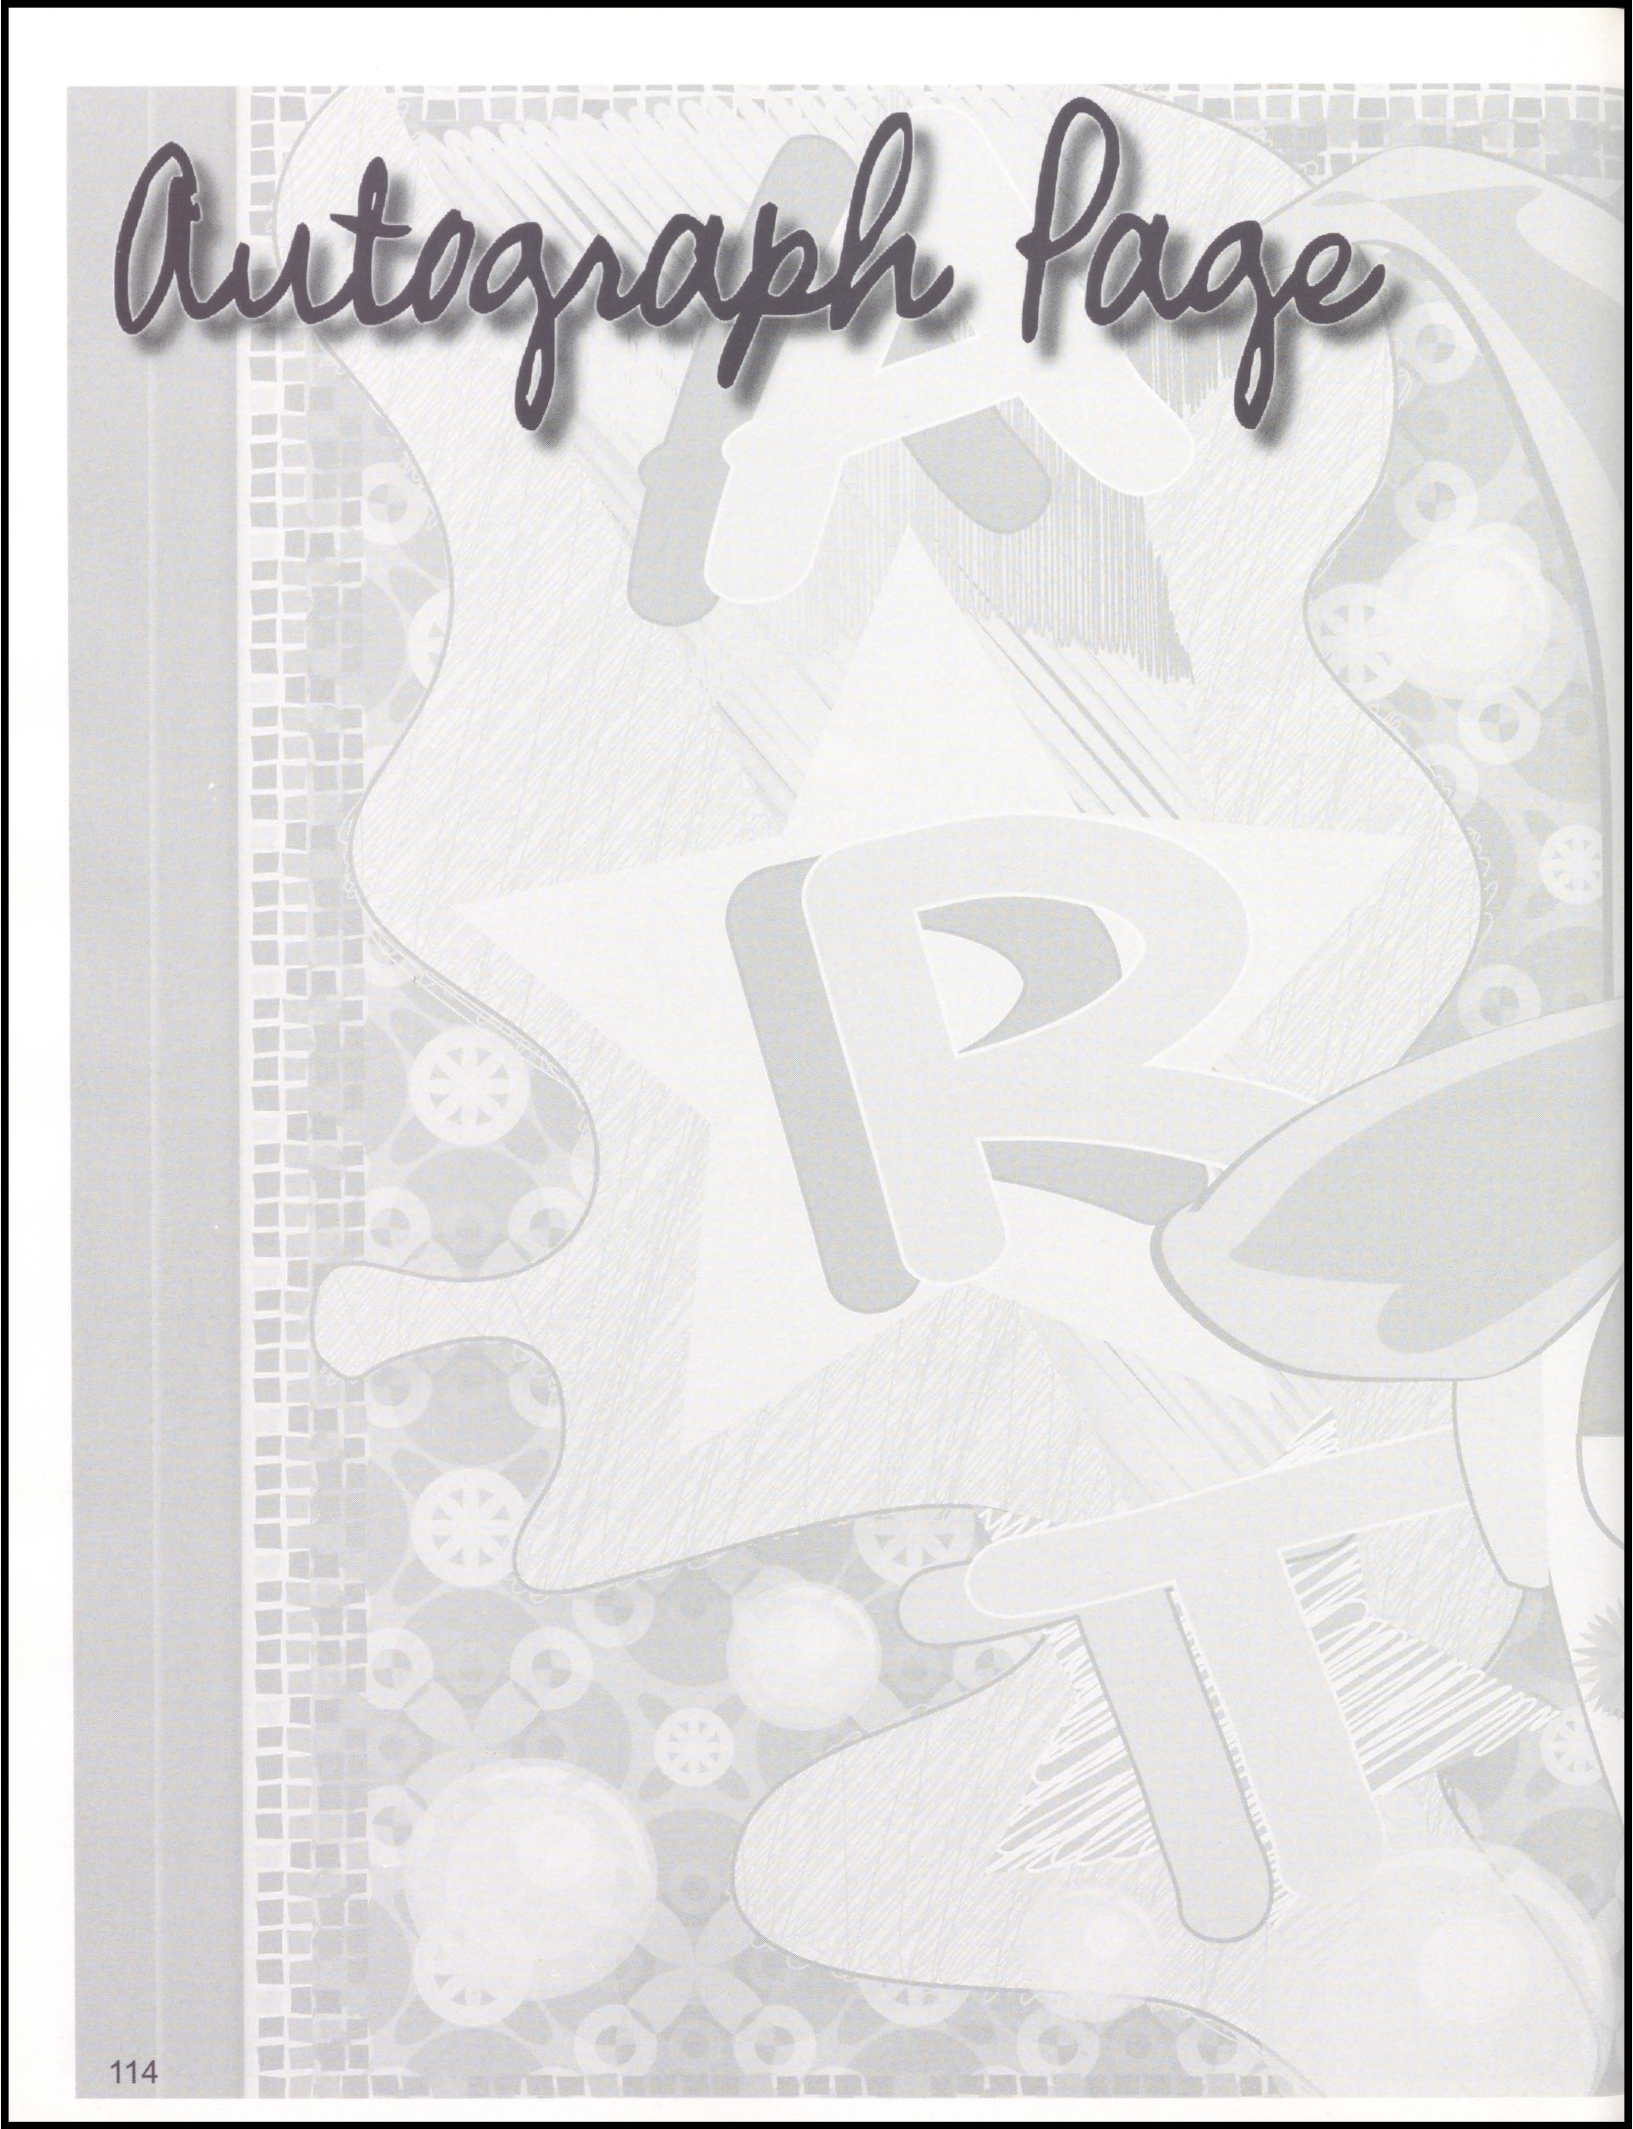

Touch of Class

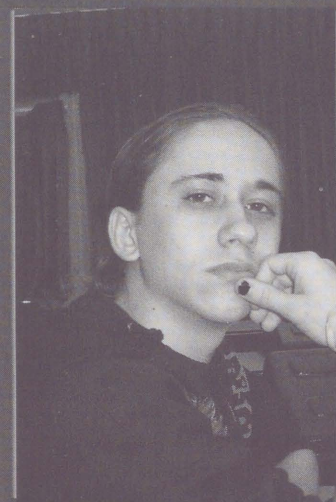

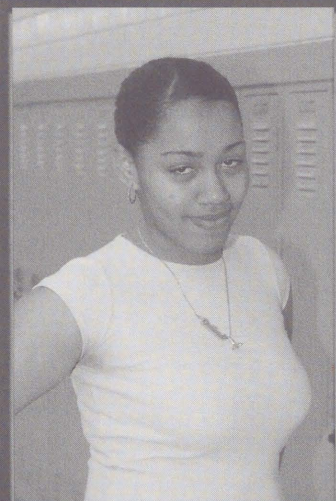

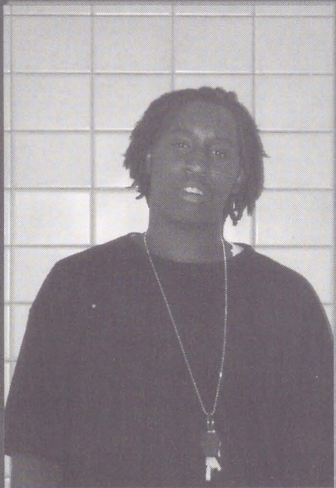

As the sun was setting, those standing at the door saw the luxurious limos stop briefly to let off the glamorously clad young ladies and gentlemen. The long awaited night was finally here: The Senior Prom. The last official gathering of seniors, an event no one will ever forget. As tears of happiness and sorrow flooded the dance floor, couples stretched out their arms and linked together with others to feel the tunes of the 21st century. On this special night, each and every person showed a touch of class, because they did not see themselves as students, but instead as friends dancing away the night... a night to be treasured forever.

TO THE GRADUATES OF THE CLASS OF 2006: CONGRATULATIONS TO YOU!

For the past four years you have worked to earn your high school diploma. We now invite you to join an organization that is dedicated to continuing the legacy of Barringer High School: **THE BARRINGER ALUMNI ASSOCIATION.**

For information go to: www.barringeralumni.com and become a part of history.

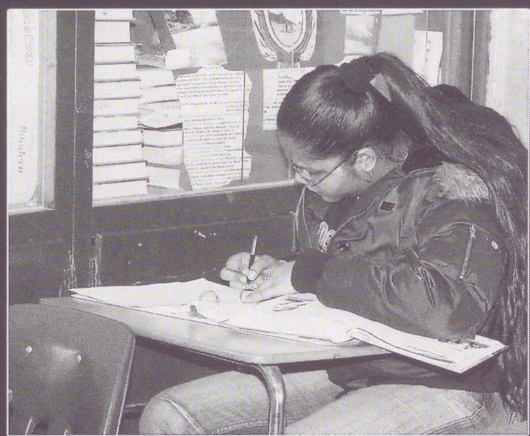

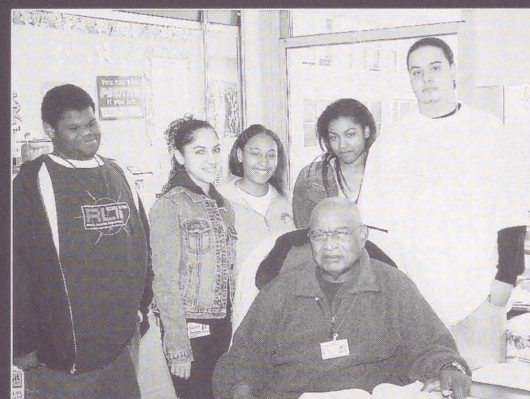

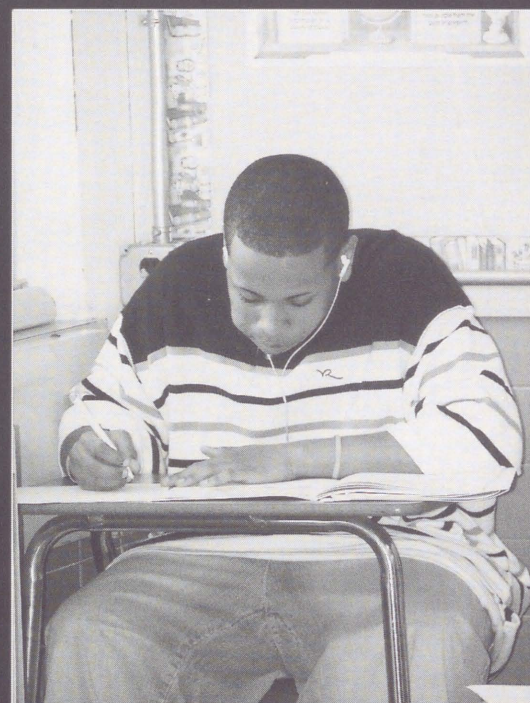

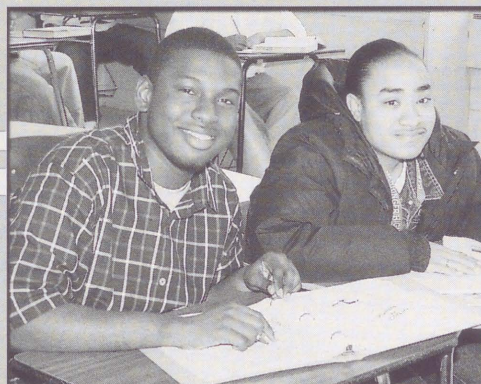

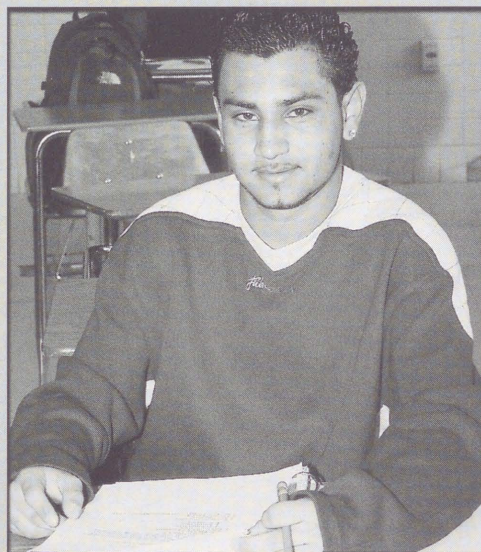

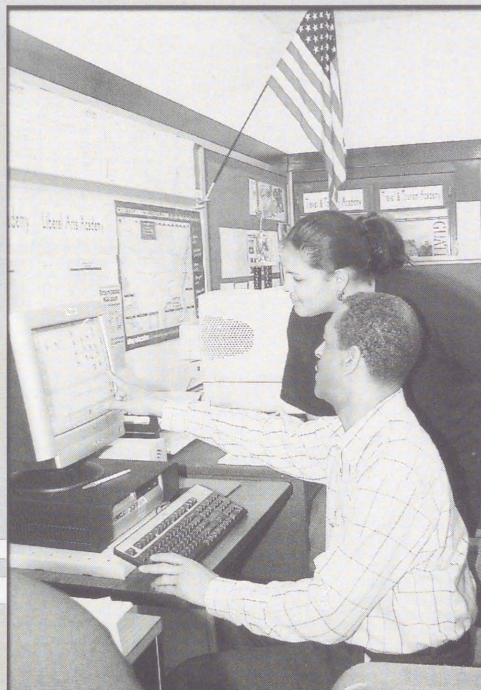

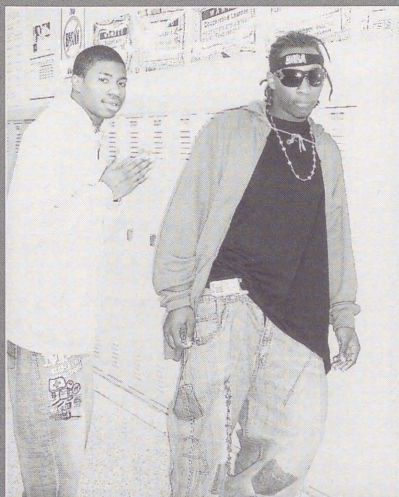

You can request a copy of the alumni newsletter, *Acropolis Alumni News* at the same site or write to: Barringer Alumni Association P.O Box 51 Essex Fells, N.J. 07021. This fall we will host an all years reunion. Contact us at our web site or the address above for information. You are our future and we need you to continue the interest in keeping the history of Barringer alive. We welcome you to our organization.

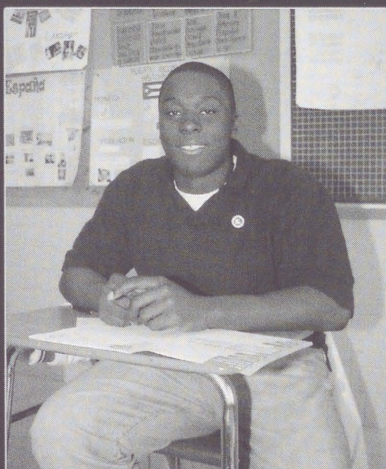

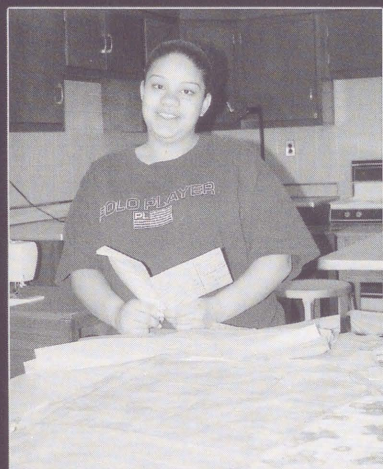

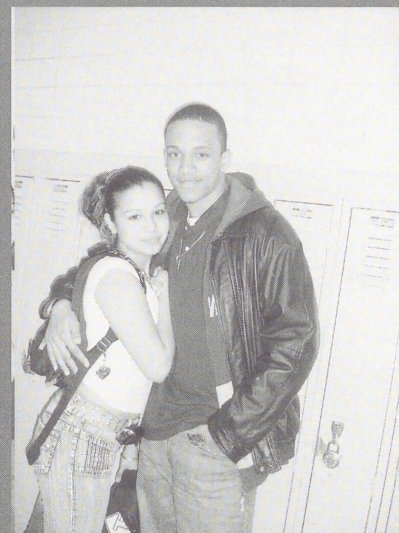

SHINNING THROUGH THE SHADOWS

As we achieve our goal of graduating from high school, we are about to embark on a new experience. We will shine through the shadows as we leave the second home we have known for the past 4 years onto new horizons. College, the military, or a job, whichever road we take, the experience will be enlightening. Our education never ceases. We will continue forward in our lives, learning new ideas and innovative concepts eventually joining the ranks of those who are a part of our society.

So we say goodbye to our friends, our teachers and soon our family to carve out our own lives. Some we will never see again, others we will always have a connection to. But whatever road we take, and whatever occupation we choose to pursue one thing is for sure. And as we move on with our lives, we will never forget how Barringer has helped shape us into individuals with a purpose. We will have shown what we are capable of, because we will have emerged from the shadows to become capable and productive members of humanity.
